

THE OMAHA DAILY BEAVER... PUBLISHED EVERY MORNING... TERMS OF SUBSCRIPTION...

Table with 2 columns: Item (e.g., Daily, Weekly, Monthly) and Price (e.g., 1.00, 2.00, 5.00).

STATEMENT OF CIRCULATION... Omaha, The Bee Building... Circulation figures for various months.

Free silver is only the mask for free trade... Will the people fooled by Bryan in 1892 permit themselves to be fooled again in 1896?

Why is it that the men who turn out the worst in the council are always the men who are most anxious to stay there?

Mexico never had a gold standard... Mexico clings to the silver standard only because it has known nothing else and can afford nothing better.

The candidate for county attorney on the democratic ticket is going campaigning down in Gaze county... He might as well do his campaigning there as here so far as the effect it will have upon his foredoomed defeat.

From now on there will be political meetings galore, at which the issues of the campaign will be discussed from every point of view.

ACCEPTING FOREIGN SUPPORT... Despite the repeated declarations of Mr. Bryan against any foreign interference...

But what of those foreign views and the men who express them? It is true that there is a strong sentiment in Europe and particularly in Germany in favor of international bimetalism...

These men see little prospect of any European government taking the initiative for international bimetalism and it is easy to understand that they are quite willing the United States shall try alone the perilous experiment of free silver...

It is to be noted that the World-Herald in its enumeration of councilmen who are to be replaced at the November election carefully omitted all mention of the vacancy which Councilman Wheeler is filling temporarily...

THE CZAR IN ENGLAND... Emperor Nicholas of Russia is a guest of Queen Victoria and the character of his reception indicates that he will receive that distinguished consideration which befits his standing among the world's sovereigns...

But the czar cannot fail to discover while in England, if he is not already aware of it, the existence of a very general public sentiment that there should be some aggressive action at once regarding the burning question of Armenia...

Our extraordinary contemporary down street predicts that the democrats will carry the councilmanic ticket this fall and that the republican majority will be reversed...

and again been shown to have been garbled or half quotations, but that does not prevent their circulation with the authority of the popocratic managers...

There are Others... Free silver and repudiation isn't all Bryanism represents. It stands also for free trade and federal deficiencies.

Wage Earners Resent It... As the earnings from wages in this country approximate a year, a proposition to scale the purchasing power of the money in which they are paid involves consequences of vital importance to those who work for wages.

LOCATING THE EXPOSITION... Omaha is very fortunate in having several available sites for the Transmississippi exposition. It is doubtful, however, whether it is prudent at this time to begin a contest over the location...

THE FALL IN PRICES... An Analysis of the Export Price of Leading Agricultural Products... The record of export prices, while illustrating the effect of manifest causes in lowering values of farm products, shows neither a uniform reduction nor a permanent and continuous decline.

There has been little if any change in the price of tobacco in a quarter of a century, though a comparison with the previous quarter would show an increase... There has been little decline in meat and in tobacco. Salted beef stands at the average of the preceding decade.

Commissioner of Pensions Murphy ventures the opinion in his annual report that the pension list has reached its maximum, and from now on, unless the pension laws are made more inclusive, will show an annual decrease in the total.

ceratic candidates for the council are scarce... Did it ever happen before in the political history of this city that democratic candidates were scarce when there was the slightest chance of their being elected?

There are Others... Free silver and repudiation isn't all Bryanism represents. It stands also for free trade and federal deficiencies.

Wage Earners Resent It... As the earnings from wages in this country approximate a year, a proposition to scale the purchasing power of the money in which they are paid involves consequences of vital importance to those who work for wages.

Commissioner of Pensions Murphy ventures the opinion in his annual report that the pension list has reached its maximum, and from now on, unless the pension laws are made more inclusive, will show an annual decrease in the total.

UNDISPUTED FACTS... Look at facts which nobody disputes. That there has been a considerable fall in price of many articles since 1873 is certainly true.

There are Others... Free silver and repudiation isn't all Bryanism represents. It stands also for free trade and federal deficiencies.

Wage Earners Resent It... As the earnings from wages in this country approximate a year, a proposition to scale the purchasing power of the money in which they are paid involves consequences of vital importance to those who work for wages.

BRITAIN AND TURKEY... Washington Post: The old story. Backed by the powers, secure of dupes ready and willing to do her work, who so ferocious should she overbearing as Great Britain? Left to herself, who so quick to leave the field and occupy herself with "hope"?

There are Others... Free silver and repudiation isn't all Bryanism represents. It stands also for free trade and federal deficiencies.

Wage Earners Resent It... As the earnings from wages in this country approximate a year, a proposition to scale the purchasing power of the money in which they are paid involves consequences of vital importance to those who work for wages.
