but Few Lives Lost. LONDON, Sept. 23.-A terrific gale has swept over this city and the coasts of the United Kingdom. The storm broke last evening and lasted all night long, playing havoc with the trees in the London parks and causing a great amount of damage along the coast and among the fishing craft. The loss of life, however, is reported to be slight. The Red Star line steamer Rhineland, Cap-tain Beyrsa, from Philadelphia on September 19 for Liverpool, arived at Queenstown this morning and reported having passed through the full force of the gale yester day. Heavy seas swept over her and flood her deckhouse and staterooms. The ma The mal boat running between Calais and Dover was badly damaged by the storm.

#### ENGLAND WILL NOT ASK FOR TYNAN

Said to Be Recognized that France Would Refuse to Surrender Him. PARIS, Sept. 23.—Thère is good authority for the statement that in the face of the certainty that it will be refused, England has abandoned her demand upon France for the extradition of P. J. P. Tynan, the al-leged "No. 1," whom Scotland yard officers have charged with concocting a dynamite conspiracy.

Czar Passes a Quiet Day. BALLATRE, Sept. 2 .- The czar and czarina today are recuperating from the excitement of yesterday, and with the exception of a drive about Balmoral, it is not likely that there will be any incident of note during the day. Queen Victoria from early morning has been receiving an enor-mous number of congratulatory telegrams from all parts of the United Kingdom, this being the day her reign becomes the long-est in English history. A large force of telegraph operators at the castle is em-ployed in answering these messages.

#### Sends Dispatches to Turkey.

LONDON, Sept. 23 .- A queen's messenger started for Constantinople from this city last night with important dispatches. It is believed that they are the results of the reports of Mr. Michael Herbert, who acted charge d'affaires in Constan tinople in the absence in England of the British ambassador, Sir Philip Currie. Mr. Herbert, who is now in London, had a long conference with the marquis of Salis bury last evening.

Want a New Steamer Line. ST. PETERSBURG, Sept. 23 .- It is understood here that United States capitalists are negotiating with the Russian government for the establishment of a rapid steam-ship service between San Francisco and Vladivostock. In connection with the above statement it is said that a French company is being formed, supported by the minis ter of commerce to run a regular steam ship service between Dunkirk and Vladivo stock

TRUST COMPANIES ORGANIZE. The special meeting of representatives of

trust companies attending the bankers' con-vention developed into a most important affair. The purpose of the meeting was for the discussion and adoption of a plan o organization of trust company representa

tives as an auxiliary section of the Amercan Bankers' association and the greatest nterest was manifested in the meeting both by the trust company people themselves and the banker delegates to the convention. The meeting was called to order by Breckenridge Jones. Mr. Jones explained the object in issuing the call and then the meeting was organized by electing H. M. Dechert of Philadelphia president, and Jones as secretary.

Mr. Dechert, upon taking the chair, made brief speech setting forth the advantages of organizing a trust company section the American Bankers' association, and

discussion of the project then followed. The central plan was the organization of a body representing the leading trust companies of this country to meet in con-junction with the annual convention of the
