COUNCIL BLUFFS DEPARTMENT

MINOR MENTION.

J. E. Meyers and wife departed for the east last night.

Mrs. W. H. Mullen and Miss Ella Rowe are visiting in St. Louis. Mrs. W. B. Fisher left last evening for

Kansas City to visit relatives. S. W. Dixon, from the national headquar ters at Chicago, is in the city.

Miss Nora Ryan will entertain the Hamilton Whist club this afternoon. Mrs. F. M. Gault returned to Chicago Sun-

day after a pleasant visit here with friends Justice Walker yesterday made out the vouchers for over 100 old moldier pension pensioners.

Mrs. M. B. Ayres left yesterday for i southern business trip. She will be absent until the hilidays.

Will F. Muse, manager of the Ottumwa quartet, is in the city. He is well known in newspaper circles of Iowa.

Today is prayer day for the Christian home. At the home between 8 and 8:30 a. m. special services will be held at the chapel Yesterday was pension day in lowa, and

county cierk's office was crowded with old soldiers having their vouchers certified. W. W. Chapman was on the streets for a short time yesterday. He is slowly recov-oring from his long illness, but is still very

trail The Men's Choral society of the Young Mcn's Christlan association will meet this evening at 8 o'clock. All singers are invited.

Walter F. King and Cornelia Schornen, both of Osage City, Mo., were married Sun-day afternoon by Rev. T. F. Thickstun at his residence on Willow avenue.

The marriage of Miss Anna Hayes to Mr. Maxwell Goldsmith of Omaha will take place Wednesday evening, October 7, at 8 o'clock, at the bride's home, 358 North First street. Assistant County Treasurer Gould has been keeping track of the gold received at the treasurer's office during the prst six treasurer's weeks. Up to last evening out of about \$49. 600 handled only \$435 was paid in gold.

The funeral of Mrs. R. E. Wiatt will be held from the Broadway Methodist church this afternoon at 2 o'clock. The services will be conducted by the pastor, Rev. J. H. Schreny. Interment will be at Walnut hill William Wiley was arrested yesterday evening on a charge of tapping the till at Dan Grady's restaurant on Lower Main Wiley was formerly employed at c. He secured \$3 from the money the place. drawer and also took a coat and vest with

A. B. Judson, father of Clarence Judson, is confined to his home in Turiey's gien by what his friends fear will prove his final filness. He is S5 years old. For several months the old gentleman has been steadily failing, until now he has reached a critical stage. His friends are kept constantly at his

A. B. Noble of Sidney was in the city yesterday. He says the search for Postmas-ter Yowell is still progressing. The belief now is that the man is insane and has wandered away. His friends declare that they are satisfied now that his actions for month or more can only be accounted upon the theory of temporary aberration. There was no occasion for him to appropriate postoffice funds or to flee the country is he has done so by reason of financial embarrassments.

Deputy Marshal Hillweg left yesterday morning for Anamosa to deliver to the warden of the state penitentiary there two of the convicted Quincy postoffice robbers. whose terms of imprisonment were to be Gale and William Robinson, Edward Marsh served at that prison Edward Marsh and Robert Gale, the other two convicted, were taken to Fort Madison by the same officer on Saturday. Louis M. Hodgerson, who was convicted of passing counterfeit money, was also a member of the crowd that entered the prison portals at Fort Mad-

It required Justice Vien and several lawyers nearly all of yesterday afternoon to determine what part of the criminal laws of the state had been fractured by John Mil-

SLAG FOR LOWER BROADWAY CITY COUNCIL'S BUSY SESSION. Great Quantity of Rontine Business Disposed of Last Night. Alderman Casper had a grievance last Council Committee Finally Decides on the | night at the regular meeting of the council.

Contract Ordered.

were adopted:

by the council.

Material for Macadamizing. He objected to the minutes, in which his vote had been recorded in favor of approving the award of the contract for the Lower SLIGHTLY CHANGES THE SPECIFICATIONS Broadway paving to F. H. Guenella & Co. He had voted in favor of the matter a week ago, but in the meantime had changed his Stipulations as to Material and Manoind. He was dealed this ex post facto ner of Laying Altered to Fit the New Conditions and

privilege, and proceeded to assert himself. "I invist that my vote be chauged, if I don't get a second to my motion," said the First ward alderman, and his "insist." failed and the minutes were approved as read. after Alderman Casper and Alderman Green-shield had had a little tilt about the matter. After another long discussion the joint The next subject taken up was the allow committee of the sity council and the Board ig of the bills for September, as approved of Supervisors decided yesterday afternoon to the fluance committee. use slag for the bottom layer of the Lower

Whose name is on those bills " asked Alderman Casper. When told it was that of Alderman Green Broadway paving. City Engineer Tostevin and E. A. Wickham reported that they had hields, he wanted to know what was the natter with the rest of the committee. visited the Omaha smelter and had found

an adequate supply on hand. Mr. Tostevin "You don't suppose," said Alderman Green-shields, "that we're going to let those bills lie around for a month, because the other recommended that the slag be used without crushing, and that it be placed as obmultteemen don't show up? Do you want to carry them around to the other comtained from the dump. The leveling, he thought, could be done with hammers, folinitteemen's houses "" "Well, if your going to act dirt," replied Alderman Casper, "why let's go abead. I want to know what's going on. If you've got a secret organization among yourselves "" there are a secret organization among yourselves lowed up by using the twenty-ton roller He also recommended that gravel be used plentifully in binding the upper and lower urses. It was finally decided to modify it's time sombody knew it. I want those bills read. I've voted for hills right alon, and never knew what I was voting for the specifications so as to admit of experi-

menting with slag in order that the greater part of the work could be done in the man-The public has a right to know about the ner found most practicable. The following modifications of the original specifications matters." "Will you set up the suppers Casper whilthese are being read?" asked Alderma It is hereby understood and agreed be

reenshields. After a few more oratorical efforts b It is hereby understood and agreed be-tween the parties to this contract that, whereas, the use of slag as a roadbed be-ing somewhat experimental the contractor will at the instance of the commissioners and the city engineer permit such modifi-cations of the original specifications to produce the best results by the use of slag as may be shown by actual experiment and trial. The modifications above successful shall Mr. Casper, City Clerk Phillips proceeds to read the bills. The monstone of M Philips proved decidedly uninteresting Philips proved decidedly uninteresting it all present except Alderman Casper, who raised a number of objections. One bill for harress snaps amounting to \$4 was ob-lected to as too high. Alderman Green-The modifications above suggested shall shields explained that Mr. Casper has bought them himself and his objection wa The modifications above suggested shall consist in such increase of the amount of travel in the top course as the best prac-leal result shall make necessary; also in he use of cluders in combination there-with as may be best, or of such amount of clay as the engineer shall permit and ilrect. It is hereby understood that the right specifications are not immired or withdrawn. The next bill objected to wa withdrawn. The next bill objected to wan for a \$1,000 insurance polley on the Lower Main street hose house. Alderman Casper wanted to know by what authority the in-surance was taken out. The bill was hald aside for the time being. After all bills had been read he tried to have the bill ra-fected, but received no second. Chief Tenmeet. It is hereby understood that the original specifications are not impaired or changed by the above conditions except us to substitute shag for limestee, and that such changes shall be under the con-trol of the commissioners and engineer. The contractor will place the slag on the boadbed in the sizes and shapes delivered it the smelter and shall for the purpose of securing a uniform surface break the pleton explained that oil lamps were use there and when the company went to a dre the place was left unprotected.

The bill for removing garbage next failed o meet Mr. Casper's approval, and he had i securing a uniform surface break th to meet Mr. Casper's approval, and he had it laid aside for a while. About the city scav-enger's bill for giving a dozen pet cats de-cent burial, Mr. Caspor remarked that "these are pretty dear dead cats." The other alder-men were aroused from their reveries by the laugh from the spectators. A few more ob-jections were registered before the effor-of the city clerk had finished. The committee on noise and health were ame in place with hammers and reduc same in place with hammers and reduce the same to such sizes as the engineer shall direct. This course shall then be treated by the roller as directed in the original specifications and for the labor above described the contractor shall re-ceive the sum of five cents per cubic yard if said labor shall be required and directed. The centractor shall be required and directed. The contract was then ordered drawn up The committee on police and health were uthorized to renew the contract with the and signed, after it had been passed upon

Continued from First Page.) (Continued from First Page.) three emperors of Russia, one of whom was dynamited. Her first aspiration at the age or 16, on learning that she was to suc-ored her uncle William, was "to be good." She repeated to her governess. "I will be such as shown embodied the highest po-itical wisdom. Surely the date of her six-tieth anniversary should be an object lea-nis gentle young wife, and especially now that the moral sense of mankind is shoeked with the repeated massacres of Armenian are chanceller. Prince Lobanoff and his with the repeated massacres of Armonian Christians-massacres for which the czar's late chanceller, Prince Lobanoff, and his ingly, is not to associate with Mme. Faure in public. She is only to see her when she calls at the Elysce and dines there. representative at Constantinople. M. Nelid-off, are greatly answerable in the eyes of Great efforts are being made here to get this flat altered and to bring out the Faure distory, and, what is more important, in the eyes of God. The date that coincides with the landing in France of Nicholas and Alexandra is the 107th anniversary of the march of the marladies at the Francais and the Opera house when their imperial majestics go there. M. Faure will await them at the Francals and Opera house. They have arranged to go by themselves to the former and to Verket women of Paris on the palace of Ver-sailles to bring back the king, queen and their children hostages of the revolution. Their capture was effected next day. October 5, 1789, on the anniversary of which the czar enters Paris for the first time and with the contemportant of the first time and with sailles. The road thither has a central pavement of cobble stones, thirteen miles long. It is to be thickly sanded the whole

way to make it smooth for the imperial carriage. The whole garrison of Paris is that spectacular show which the Freuch are so skilled in arranging. The blind worms to be under arms and posted along road. An imperial levce will be held ow in power here are doing what they ca o divid the date, which is so far as M. lanoiaux and Prince Lohanoff (who sketched the Gallery of Mirrors, which has been fur-nished as in the time of Louis XIV. But physiognomics and the costumes will be so Finite and Prince Lobarofi (who sketched) the ceremonial) were concerned, of its true significance. The severe lesson that it should inculeate is being hidden away. Des-potic monarchs are, humanily speaking, as-sured of impunity. The power that shapes the ends of nations as of individual men and women catches up such potentates in their poticity and often the secondaria in their different, and alast the manners too. Am-bassadors in the eighteenth century were never professional diplomats, affectedly reserved, but men born to great stations and chosen for their social gifts as well as for their clear heads, bright wits and insight and readiness. They dressed magnificently and had a grand air. The corps diplomatique which will present their homages to the czar and czarina at Versailles will contain such diplomats as Lord Stair, the duke of Portland, the earl of Albemarle, the Conte de Haro, the duke of Osuna. The grand bodies of the state

is massacred and exiled in tens f thousands, come home with awe-ome force to the minds of Nicholas and and are ready to show themselves in all but restraint of manner utter courtiers. Original busts and portraits of Peter the lexandra and make them tremble for them-lyes and for their infant daughter, the ariing of their hearts. The only daughter Great, the Catherines and Paul and Alex-f Louis and Marie Antoinette was appaattic gallery and placed on easels in the south wing, where their imperial majes-tles can see them without climbing lofty cincess of her time. Yet she was fated o see before she was 13 years old her father, mother and sunt led out to execu-tion, to be a solitary prisoner during four orders, to witness in the course of her life stairs

PORTRAITS ON EXHIBITION.

The different portraits of Marie An-olucite will be submitted in the same three revolutions in France, and to dle in exilo with checks furrowed with the tears that had flowed during 63 years. That Daughter of Sorrows, like the infant grand way to their inspection, as also the miniature taken of Catherine the Great just after she became empress. ichess, was also on the maternal side deac add, from one who gloricusly reigned in ber own right and was good as she was great. Maria Thereia, but whose goodness aid not counterbalance the materiations that weigh on the house of Bourbon. A wonderful work of art it is. Scaf foldings have been removed at enormous cost from the terraces, fountains and basir epaired; a fleet of eighteenth century royal repaired; a fleet of eighteenth century royal barges furbished up to take the imperial visitors by the canal in his gardens facing the west front of the palace to the Triancs. This excursion is to follow a lunch in the The czar and czarina will not be escorted to France by Russian warships. The French To France by Russian warships. The French government was most anxious that they should do so and give an object lesson in the reads of Cherbourg of the naval strength of France and Russia united. But Nicholas was too much the gentleman to lend himself to that game of brag, which doubtless would have been most gratifying to the president, who wants to figure in the erres of Europe as the Sea King and head of the French Gallery of Battles and a long rest of the imperial visitors in his suite of small rooms fitted up by Marie Autoinette as a private residence. They are pokey little rooms and all look out on dingy, narrow court yards. But they are different from the state rooms, the grandeur of which was wearisome and his discomfort dreadful. The small rooms are a bath room, salon and reading room; they look like a doll's house. Fluted bro-cade or satin of tender and yet lively shades

over the walls. The furniture is dainty, but it is in the style affected by mercenary reauties of the corps du ballet toward the but it is in the style affected by internaly beauties of the corps du ballet toward the end of the last century. Old courtiers were shocked at the frivolous prettiness of these rooms. In the blue room or salon there is a dainty sofa in sky blue with gilt frame in a while set round with mirrors. The
