

CASTLES WILL NOT ASK BAIL

Emotional Evidence Against the Two Prisoners in Holloway.

MANY TESTIMONIALS TO THEIR INTEGRITY

Secretary Roosevelt Visits the Jail and Interviews Mrs. Castle Undoubtedly Innocent. Eminent Counsel Engaged for the Defense.

LONDON, Oct. 9.—It is not thought probable that bail for Mr. and Mrs. Walter M. Castle of San Francisco, who were remanded to Holloway jail on Tuesday last, charged with stealing furs from a store in this city, will be applied for before the case comes up again at Marlborough Street police court on Tuesday next for fear of prejudicing the case. The Castles, therefore, will remain in jail until they appear in court on October 12. Many additional telegrams of sympathy with the prisoners have been received at the United States embassy and Secretary Olney has again cabled, confirming and amplifying his first message. The chief of police of San Francisco and the president of the Merchants' Exchange of that city, on behalf of the association, have wired their endorsement of the integrity and high standing of Mr. Castle, and the chief rabbi of California has cabled to the Home Office to have defend the prisoners.

Colonel McFarland of the Spreckels company, came here from Liverpool to do everything possible for Mr. and Mrs. Castle. He called at the United States embassy and will assist at the meeting of counsel to be held this evening in order to discuss the question of bail. Mrs. Castle, however, declines to be released from the jail. The Castles, in view of the strange features of the case, are treated with every consideration in Holloway jail. They wear their own clothes, receive their own food and are living in decent rooms. The secretary of the United States embassy, James K. Roosevelt, made a call at the Home Office this morning and will go to Holloway jail this afternoon provided with a letter from the authorities to the governor of the jail. The prison doctor has been instructed to furnish a special report of the condition of the health of Mrs. Castle. Permission has also been granted to enable any doctor selected by the friends of the prisoners to make a special report on her health. The case has now been taken up by the Treasury department and the public prosecutor and the police are making every effort to find stores in order to find owners of a number of articles, fur, silver, etc., which were found in Mrs. Castle's trunk.

Mr. Roosevelt, secretary of the United States embassy here, in his interview later in the day with Mrs. and Mr. Castle at Holloway, said that he had called on Mr. Holston. The prisoners were conducted to the solicitors' room in the prison for an interview. Mr. Castle showed signs of the deepest depression, but Mrs. Castle spoke to Mr. Roosevelt broken down completely and cried like a child. He exclaimed:

"You are both innocent. I hope that my mother in San Francisco will not hear of this, as it will kill her if she does."

Mr. Castle, in a calmer strain, said: "I wish to thank our American friends for their kindness and to ask them not to lose faith in our integrity."

Mrs. Castle was afflicted with severe pains in the head and seemed to be dazed in the presence of visitors. She said that she was unable to sleep at night, but that she had a good night's rest when she was left the prison today, convinced that if any man is innocent Mr. Castle is. He added that he can only think his wife is not in her right mind, but that she cannot explain why a plated toast fork, marked Hotel Cecil, was found in her effects.

Police Inspector Arrow, who has been placed in charge of the extraordinary case, says that numerous articles from the trunk were found in the trunks of the Castles upon their arrest. He has communicated with the foreign police in an effort to fix the identity of some of these articles, but has not received any replies. He has also received a number of complaints from London merchants. Among the effects found in the trunk are many articles still bearing the private shop marks of the United States.

"When I first arrested Mr. and Mrs. Castle," Inspector Arrow continued, "I did them wrong by thinking they had committed notorious crimes. Subsequent events have disproved this. I am sorry for the man, but I cannot account why he did not say that these goods were stolen from him. I have known the extent of his wealth, I have advised against the prisoners being admitted to bail."

Supposed Dead Man Revives. A case of a prominent Panama man suddenly interrupted. (Copyright, 1896, by the publisher.)

COLON, Colombia, Oct. 8.—(New York World Cablegram—Special Telegram.)—Thousands who had gathered to attend the funeral of Jillo Muller, the son of a Panama merchant, were startled to see the supposed dead man come to life. It appears that he had taken strychnine to promote micturition and the effect was that he was pronounced dead. The appearance of the skin indicated poison and the authorities stopped the funeral for a post-mortem examination. When a government medical officer opened the coffin he found Muller alive.

The pirates looted the crew of the bark and afterwards pillaged her. The crew of the Sevilla succeeded in rescuing one of the crew of the Corinthia and captured one boatload of Moors. When the Sevilla approached the Corinthia, the pirates opened fire upon her, killing two men and wounding four of the Spanish ship's crew, and eventually compelled her to surrender.

MIDNIGHT RAID ON A BANK

Bravery of a Brainard Man Prevents Heavy Loss.

NEBRASKA TOWN VISITED BY BURGLARS

Safe and Building Wrecked by a Charge of Dynamite, but the Cash Box Escapes the Charge Unharmed.

BRAINARD, Neb., Oct. 9.—(Special Telegram.)—The Bank of Brainard was the victim last night of the gang of burglars and safe crackers that seems to be operating so extensively in Nebraska in the past few days.

At about 1 o'clock this morning Cashier A. K. Smith, who occupies rooms directly across the street from the Bank of Brainard, was awakened by the sound of a muffled explosion.

The sound seemed to come from the bank, but upon looking out of the window the cashier could see nothing unusual in the appearance of the bank building.

Feeling that something was wrong, Cashier Smith hurried into his clothes, took his revolver, and started to investigate. As he reached the street two men darted out of the front door of the bank.

Calling assistance Mr. Smith entered the bank. The doors of the safe had been blown open and the bank counters were badly wrecked.

The bank lost no money by the raid, but the safe and building were damaged to the extent of about \$500.

BOILER THROWN ACROSS A STREET. Five Killed and Several Hurt in a Danville Rolling Mill.

DANVILLE, Pa., Oct. 9.—Three additional deaths, making five in all, have resulted from the boiler explosion last night in the Danville rolling mill. These are: JOHN CROMWELL, OLIVER CROMWELL, JOHN MULLEN, sr.

All of these died soon after being removed to their homes. The boiler, which was in charge of the rolling mill, was terribly scalded by steam, but not recovered. In all about fifty persons were more or less seriously hurt.

The cause of the explosion is not known, but it is supposed to have been due to low water in the boiler. The furnace was not in service and a number of mechanics were engaged in repairing it.

Suddenly the furnace exploded, scattering death and injury among the men about it. The boiler was lifted by the force of the explosion from its bed through the mill wall, and flying across the street, crashed through the frail walls of a Hungarian boarding house, killing the baby and one of the inmates of the place.

The dead reported last night were: JOHN CASSELMAN, HUNGARIAN BABY, name unknown. The seriously injured are: Rush Verriek, John J. Clifton Major, Robert Held, manager of the mill, Thomas Williams, John Lehman, Joseph Shepard, Harry Mayer and Edward Wolf.

IN HONOR OF MRS. O'LEARY.

World's Fair City Commemorates Its Second Birth.

CHICAGO, Oct. 9.—Four years ago today the greatest parade the world has ever seen passed through the streets of Chicago as a portion of the celebration of the dedication of the buildings of the Columbia exposition. That parade was, however, surpassed today by the purely partisan march of the men who uphold the gold standard in questions of finance and in politics.

The number of men, but 75,000 in the main, yet between the number claimed by the republicans and the count given out by the national committee headquarters of the democratic party. The arrangements were perfect and they were carried out to the letter.

After a march in the morning on a single car, not a single wagon, save those carrying the United States mail and police ambulances, were allowed to pass north and south sides, and all those coming from the south were turned back at Van Buren street by the police.

DRAMATIC END OF A MAN HUNT

Minnesota Bank Robber Kills One of His Pursuers and Himself.

MINNEAPOLIS, Oct. 9.—The story of the robbery of the bank of Sherburne ended tragically when J. D. Sair, one of the pair of murderous bandits, when all but captured, killed Marshal Gallion, the leader of his pursuers, and sending a bullet into his own brain, fell dead at the feet of the murdered marshal's posse.

The daring robber had shot his way out of a farm house surrounded by officers and would have made good his escape but for an accident to the back of the robe.

Sair and his accomplice rode their bicycles into the little town of Sherburne Wednesday afternoon, and in robbing the cash tray of \$1,000, murdered Cashier Toburne and Olaf Oestran, a traveling salesman. After the robbery the bandits set out for the southwest, pursued by a large posse.

Yesterday the citizens of Emmet and Kossuth counties turned out en masse in search of the robbers. They separated near the Des Moines river, one going due east. Deputy Sheriff Brayton of Emmet and Marshal Gallion, with a posse from Bancroft, took the trail. At 7 o'clock Sair stopped at a farm house to get something to eat and the robbers fired the house was surrounded.

The robber darted for a window, out of which he jumped. Marshal Gallion was stationed near the account of a structure and he let it by the side of the road and set out on foot through a cornfield. Deputy Sheriff Brayton was close upon his heels and the robbers fired with a double-barreled shotgun. The bandit, seeing he had no chance to escape, placed a revolver to his head and sent a ball through his brain. By the time the posse reached the house he was dead. His body was riddled with bullets. Most of the money taken from the bank was on his person.

Another robber is believed to be in custody at Jackson, Minn., although officers are in hot pursuit of another man, who is making his way southeast through Winnebago county. The man was seen in and near Jackson lately exactly with the description. The man killed is J. D. Sair, who came from Heron Lake. The other is supposed to be a young man named Sair, who was seen two days before the robbery. A report is also received that a tall man entered the bank of Hardee, southeast of Lawrence, Ia., this afternoon and covered the cashier with a revolver and demanded the proceeds. He was handed out \$500 and made his escape.
