General Play Much Advanced and Team Work Made Almost Perfeet During the Last Two Weeks.

The Council Bluffs High school eleven defeated the Woodbine Normal school in a with Mr. Perkins. rattling game of foot ball at the Field club park yesterday afternoon by a score of 26 to 0. Two twenty-five-minute halves were working hard, and have developed some of the strongest team play ever seen in this city. The visitors lined up at least ten pounds heavier than the little fellows, but were outrun, outpunted, outplayed in bucking the line, interference, tackling, and though they put up a plucky struggle, could never get even near the coveted goal line. The kick went to the home team in the first half. Dick Stewart, who has had the benefit of playing in the schools in the

east, took Mather's position at fullback in this half. Woodbine carried the ball for a short gain on the kick. It went to the High school on a fumble, Anderson getting the ball. After a five-yard gain it was lost to Woodbine in the same manner. Here the visitors were played to a standstill. On the first scrimmage they lost seven yards and failed to make up half the distance in the remaining downs. For Council Bluffs upon the campaign as the Irishman looked upon the badges on the caps of the old vet-W. Pardy was sent through the line for a couple of yards, and a second later circled the left end for fifteen yards more. Stew-art and Flammant were sent at the Woodbine line for small gains, when W. Pardy got around left end for the first touchdown. Flammant failed to kick out. Score: 4 to 0. Another kick-off by Woodbine netted them forty yards, which H. Pardy cut down by a five-yard gain before he was tackled. "Brother Bill" came next, and cleaned up

nothing less than seventy yards in the long-est run of the game. He came down the field with a mill of interference churning off the Woodbine hustlers. The entire High school team was in the mixup Stewari then pounded out five yards through center, Anderson rolled around center for three, and Stewart's fumble was recovered by Hutchison with a gain. The ball was lost on the eight-yard line on a fumble. Woodbine made a slight rally at this point, and Johnson got away from left end for fifteen yards. Flammant managed to down the next Nor-malite eight yards behind the line, and a fumble soon gave the home team the pig-skin. Stewart, Anderson and Flammant carried the ball to the ten-yard line, when the rabbit foot trick was worked like a charm, and R. Dailey trotted behind the goal posts before the embryo teachers know

what was up. Stewart promptly kicked goal. Score: 10 to 0. Woodbine's kick-off was taken by Stewart for ten yards. Flammant and Paray worked the criss-cross for five yards, and R. Dailey and Stewart the rabbit foot trick for eight Tackle plays by Anderson and Knox netted fifteen yards. H. Pardy took twelve more, when a fumbled kick lost the High school ten yards and the hall. Time was up, leaving the ball on the center line.

in this neck of the woods. His heavy play soon began to tell, as he was the only one of the home team equal to the Normalites in weight. Woodbine's kick-off netted them declared that the republican party had done more for silver than any other or all other parties that had ever existed in this countries. All of the legislation of the world. tackles, Anderson and Knox, rolled about center for thirteen pegs. Pardy galloped out eight more, rested, while Mathers tele-scoped center for five, and then followed suit, Mathers going him two better in his next plunge. Flammant got away round right for three cross-bars, and W. Pardy went the other way for one and a half. This had been a constant batter, without a rest or a signal, and the farmers couldn't get on their feet. After pounding center for a three and six yard gain, Mathers broke through for a touchdown. R. Dailey failed in his try at goal. Score, 14 to 0.

Woodbine made another good kick-off. This was the only way they got down into the enemy's field at all. Mathers caught the ball on the dead run and ploughed through without interference for over twenty yards, It was one of the remarkable plays of the Four downs gave Woodbine a faint game. Flammant checked this, however, by tackling Pritchard for an eight yard loss A punt netted the visitors no gain. Then began another of the great series plays by the High school. Mathers was fresh, and he took the brunt of the battle in line bucking. Assisted by gains made by Anderson Knox, Hutchinson, the ball had been carried to the twenty-seven yard line. 'Old Hoss' Mathers got away from right end. For the entire distance he waded through the Normalites, giving no less than three of them some of the prettiest straight-arms ever seen on the gridiron, avoiding and rolling out of as many tackles and landing the ball between the goal posts. R.

Dailey kicked goal. Score, 20 to 0. Woodbine's usual kick-off was promptly gobbled by Pardy and cut down two chalk the Normalites, and got the man with the ball five yards behind the line. This loss was increased eight more yards before the visitors lost the ball. W. Pardy galloped through the mass of scrimmagers and landed
