

RAILWAY MEN FROM KANSAS

Santa Fe Employes Pay a Visit to Major McKinley at Canton.

SPEECH ON THE COUNTRY'S REQUIREMENTS

Sound Money Candidate Asks His Guests What Benefit Can Accrue to Them from a Change to the Silver Standard.

CANTON, Oct. 23.—Kansas came smilingly into Canton several hundred strong. Employes of the Santa Fe railroad and others made one of the most enthusiastic delegations that has yet visited Canton.

Major McKinley was in good health and spirits this morning, and Mrs. McKinley was at the breakfast table after a slight indisposition yesterday.

Three hundred railroad men of the Atchafalaya, Topeka & Santa Fe railroad, after traveling 1,000 miles, reached Canton today.

I have heard it said a thousand times from the public rostrum that while the tariff might be the best means of raising the tariff, it had no influence upon the wages of men who were engaged upon a great industrial enterprise.

WHERE IS THE BENEFIT?

Can a workman or an employer of the Santa Fe system tell me how the free coinage of silver of the world will benefit him? Will it increase his wages?
