Ante Room Echoes

Considerable progress is being made in the work of organizing the high court of Foresters of this state. During the past two weeks the organizers in the field report have been pretty well canvassed and it is the intention now to send a couple of organizers into the state. One of the new courts will be located at Lincoln. Two new courts at least are promised in this city. One will be composed exclusively of young business men. Another will be a Swedish court, and still another may be organized of Germans. The plans also provide for the organization of a new court in South Omaha, although there are already two courts there.
