DEMOCRATIC CHAIRMAN WELCOMED HOME

Orders Contingent on McKinley's Election Turned Many Labor Votes—Silver Cause Declared to Be Gaining.

HOPE, Ark., Nov. 9.—A public reception was tendered Senator James K. Jones at the opera house in this place this afternoon. The meeting was arranged for the purpose of allowing the senator's friends and neighbors to show their appreciation of his work in the recent campaign. People came into town from all over Hempstead county to welcome the senator. The opera house was packed, many women and children being present, all anxious to see Senator Jones. After a cordial greeting Senator Jones spoke for an hour or more on the campaign and the obstacles that had to be met. He said that the result was a victory for the democratic party. He said that while they had lost the election they had not lost the fight. The cause of silver was stronger today than it was when the campaign began. Inviting Silver Men Back to the Party.

DES MOINES, Nov. 9.—(Special Telegram.)—L. M. Martin, Iowa member of the national democratic committee, today issued an address to the sound money democracy of the state. He declares that the sound money democrats are not represented; they are as strongly opposed as ever to the republican tariff policy, and believe the safe road to permanent prosperity is through the policies of true democracy. He looks forward to the future, saying that the organization formed at Indianapolis was maintained, and expressing hope that the party of democracy which has been led astray will come back to the fold.

National Democrats of New York State.

Desires to Remain a Party.

NEW YORK, Nov. 9.—The state committee of the national democratic party met today and decided to continue the organization. An address was issued to the democrats of the state, declaring that the election had demonstrated that support of the platform of the Chicago platform was a disaster to the party; that the organization which espoused those doctrines during the campaign could not in future dominate the republic in the country.

Another Raid on Jewel Boxes.

Residence of J. H. Millard Visited by Porch Climbers.

Porch climbers were again abroad last night, the residence of J. H. Millard, 2405 Harrison, being selected as a subject for their depredations. Between the hours of 8 and 9 o'clock a window in Miss Jessie Millard's room, which is located on the second floor of the building, was forced open and a diamond pin valued at \$150, together with a number of other valuables, were taken. The thieves were left in a bureau drawer and the thief evidently experienced no difficulty in locating the body. His time, however, was limited, according to his calculations, and his eyes failed to detect many other articles of jewelry which were near by. Mr. Millard was notified at 8:40, and a patrolman was sent to the house. He entered it again about 9 o'clock and found a window, which overlooked a porch, open.
