PEN PICTURES PLEASANTLY AND POINTEDLY PUT.

Our misses' steel clad shoes at \$2.00 in sizes 11 1/2 to 2— and \$1.50— sizes 8 1/2 to 11— are made of heavy dogskin with strong oak soles—the lace styles have pointed toes and the button styles have square toes—They outwear any two pair of ordinary shoes—our customers say they are a perfect fit—In point of service—to our quilted button shoes with which we are supplying the boys—the boys like them—and so do his folks—they save buying shoes so often.

Even the children can see but one plain thing worth having—There's such a musical sweetness about the Kimball that it wins all hearts—Young or old—the Kimball is the highest grade—lowest priced piano in existence—We sell it—rent it—and when you buy we make the easiest terms—We've sold the Kimball ever since we've been in business—and we know what we're talking about when we assert that its superior has yet to be made.

We make it very expensive for sick people to buy their prescriptions any where else—Ours is a prescription drug store—Where only the purest drugs—and all of them—are constantly in stock—where prescriptions are compounded after methods known only to graduated pharmacists—who have added years of experience to a thorough scientific education—Your physician delights in our prescriptions—because we always know how to fill them.

It seems like the acme of perfection had been reached in new draperies—the changes in style—pattern and design—from the sober—sedate creations of the past to our two are very distinct—We've kept up with fashion's latest fad in curtains of all kinds and are now offering greater quantities—far more elaborate than ever before—That's not all—if there's anything new under the sun we get it first—and at lowest prices.

We are having quite a necktie time down at our store—We are having come here for neckties that never came here before—People who have been under the impression that we are carrying the best furnishing goods in the city—High prices don't necessarily follow—We are exclusively furnishing goods which accounts for our ability to buy for less and sell for less than anybody.
