Near Future. For several days past workmen have seen noticed fixing up the store recently closed at the corner of Sixth and Broadway, opposite the postoffice. Upon inquiry it is learned that the Bartlett Grocery company is preparing to open the place and run it in addition to their other store. Mr. Bartlett said to a reported for The Bee that he had contemplated such a move for long time, but owing to the stringency of money matters he deemed it inexpedient to do so until after election. Now that con-ditions are on the upward turn he will go ahead and put in as large a stock as he has in his other store. This alone, with the convenient locality, will enable them to cater to the wants of the most exacting buyers. He is fixing up his new place in a ery elegant manner. Sweet Will.

The High school foot ball eleven defeated. the Thurston Rifle team at University park vesterday afternoon, by the score of 42 to 0. Had the school boys played with more vim and snap, they would have come nearer registering 100 than fifty points, against their opponents. Despite the one-sided score the school boys did not give a wonderfully fine exhibition of foot ball. The old-time crisscross and other trite tricks were worked successfully a number of times. But they would have resulted in greater gains had the players been quicker to get into motion. There were a good number of long runs. All the High school backs played well, Lehmer easily excelling. The work of Gillesple, Crandall and Reed was also creditable. The ends made some good gains, but were more tardy than players in those positions should be. The line held its own against a line of superior size and weight very well. a line of superior size and weight very well. Takey and Jensen were frequently taken from the line for substantial gains. The High school team played an offensive game altogether, and for that reason it appeared to advantage. Seldom was it called upon to play a defensive game, but the little defensive work it had to do was well done.

The militlamen have volumes to learn about the great intercollegiate—and nowadays interscholastic—game. There is plenty of good material in the team, notably the halfbacks and the guards, that might be developed with coaching. But it is a mean

The school boys scored their first touch-down in two minutes of play. Long runs by Schwartz, Hopkins and Crandall ad-vanced the ball so that Lehmer had an easy thing in making a touchdown. He also kicked the goal. Score: 6-0. The school boys had the ball within fifteen yards of their opponents goal, and the prospects were bright for a second touchdown, when they faolishly tried for a goal from the field. The attempt failed. The soldiers naw had the ball for the first time. Celeman made a good rivn of twenty-five yards, and was brought down by a fine tackle from be-hind by Gillespie. The same player was in the way when the soldiers tried the other end. The Rifles punted, and Lehmer missed onnections with the ball. Then the Rifles did some good work and gained through the line, but they soon afterward lost the ball m downs. Neb., than was anticipated, and the game resulted in a score of 16 to 4 in favor of Kansas, when a shutout was expected.

The game was close and exciting all the way through, and Doane made gains through the Kairsas line about as they peased, and had very little trouble in holding the Kairsas when an attempt was made to get through. Kansas line has been a strong point this year, and the ease with which Doane went through was surprising. Kansas started in the game with five substitutes, but in the second half the Indian halfback and star ground gainer of the team was put at work, and aided much in running up the score.

The first score made by Kansas was a safety, Doane getting the ball as Kansas was pushing a man over the line. The Doane touchdown was made after one of the most exciting attempts to hold the Doane line that Kansas made through the entire game, and was very cleverly executed. The score at the end of the first half was 6 to 4, and at the close of the game 16 to 4, Kansas missing every goal but the last.
