

# THOMPSON BULDEN & CO'S Dare You Risk Missing This Great January Clearing Sale

It wouldn't be possible, in season, to so utterly disregard cost, as we have, in this cutting and slashing into our regular prices—but our determination to close out every dollar's worth of Winter Goods has brought us to offer you bargains so big that you can't resist the temptation to buy—and there never was such meaning to the word "bargains" as at this sale of ours—for this is a sale where prices on winter goods are cut—absolutely and truly cut—cut lower than prices have ever been actually cut to before. It will give our "good name" another boost—for, though we will lose dollars, we will make up for it in increased confidences—

## This Great Sale Begins Monday Morning At 8 O'clock
