BEST EQUIPPED PLANT IN THE U. S.

Being Greatly Improved at Large Exe pense and Under the Control of Her & Co., the Sole Owners.

While the Willow Springs distillery, of which Mr. P. E. Her is president, is not the largest, it is one of the best equipped distilerles in the United States; it is operated with clise personal attention by its owners to even the smallest detail, relying on an experience of over 30 years and assuring results that cannot possibly be obtained where large yields are the only consideration. The capacity now is 3,000 bushels per day, or 1,095,000 bushels per year.

GRAIN MARKET. Located in the heart of the eern belt, enables them to procure grain at the lowest Operates in Colorado from Denver price direct from the producers, and especially from the surrounding farmers, thus obtaining the best grades, having their own malt house, malting only selected barley, the choicest of which is reserved for the best Rye and Bourbon whiskeys.

CATTLE FEEDING & Western. It operates in Iowa, Missouri, 24,000 pounds of hay per day, or 8,760,000 Kansas, Nebraska, Oklahoma, Indian Terri- per year and the slope from 2,000 bushels of Kansas, Nebraska, Oklahoma, Indian Territory, Colorado, Texas, New Mexico, Arkansas, grain per day, or 1,095,000 bushels per year.
