Friends of the Different Locations Were Out in Force at the Directors' Meeting, but Were Unable to Force the Issue.

The Board of Directors of the Transmis sissippi and International Exposition held a special meeting yesterday afternoon to afas receive the report of the expert engineers employed to examine the five sites tendered as locations for the Exposition, and report on the most valuable site for Exposition pur-

poses. Every member of the board was present, with the exception of General C. F. Manderson. The cession was short but decidedly animated, although nothing was done in the way of opening the report of the engineers, or voting upon a site, all action in this direction being postponed for two weeks. the general public became frightened. The meeting was held in the new quarters of the Exposition, in the Paxton block. The room where the directors will hold all their meetings is barsly large enough for all the directors to be seated, consequently the lobby were deaths from "infection was compelled to occupy the hall adjoining the room. The lobby was very numerous fied the supporters of all the sites being present

The hall and doorways were in force. that the government is fully alive to the danger. Decrees have been issued forbidrowded and every point of vantage was After the usual preliminaries, the busi-

ling pilgrims from leaving Algeria, Tunis and Senegambia this year for Mecca, and ness of the meeting opened with the introduc-tion of a resolution by G. M. Hitchcock merchandise from India must, under sever penalty, be imported through five designated ports, of which this is one. At these ports of entry Indian merchandise will be allowed providing that after reading and discussing the report of the engineers, further consideration of the report and the volc upon a site be postponed until after the legislature of to land only after having been most thorbraska has acted upon the bill now pending, which provides for a state appropriation cago and the northwest from pirating his in explaining the resolution, Mr. Hitchcock said that unless the legislature of Nebraska quarantined if necessary. makes a liberal appropriation there is no use in attempting to carry on the Exposition, a the legislatures of other states would re-fuse to support an exposition in Nebraska that was not supported by the legislature of that state. For this reason Mr. Hitche said he was opposed to taking any further action until it is determined what the leg-

islature will do DISCUSSION OF RESOLUTION. This resolution formed the subject of an inimated discussion in which nearly every director took part. The resolution was op posed by several of the directors on the ground that no harm would result from theosing a site, and that it would look more businesslike to go ahead as far as possib without incurring large expense. These di-rectors were in favor of opening the report of the engineers and voting at once upon the location. This course was warmly ported by J. C. Wharton, Dr. E. W C. E. Yost, Alvin Saunders, J. L. Webster and others. The resolution was supported by all th

members of the executive committee, and a large number of others. C. S. Montgomery aid it would be an insult to the people of the community to open the reports and vote upon a site without allowing the report of the engineers to be made public and give the citizens an opportunity to be heard in the

natior. Herman Kountze said the resolution should be adopted, but it should first be amended to provide that the report should not be opened story telling and feasting the discovery of at this time. In support of this Mr. Kountze made a short but sarnest talk which had a

G. H. Payns demanded that the report should be opened and made public some time before a vote is taken, that members of the board, as well as the general public, have an opportunity of learning what the This idea did not meet with favor and the amendment was adopted.

Stenmer Hauled Off the Bench. BEACH HAVEN, N. J., Jan. 23 .- The steamship Bausworth, which went ashore on the morning of January 18, was hauled off by the wrecking tugs at highwater last night, and proceeded to New York, in tow. The pumps of the steamer were kept con-stantly at work to make it possible to handle it. The ship had spent 114 hours ch

the beach.

First Woman Lawyer in Kentucky

FRANKFORT, Ky., Jan. 23 .- Miss So lolonel W. C. P. Breckinridge, is the first woman to be admitted to practice before the count of appeals of Kentucky. Miss Breck-inridge was examined by Chief Justice Lewis, Judges Hazel, Riggs, Painter and

pointed to employ engineers to examine the ites be given two weeks longer in which to report. After a brief discussion the substitute was adopted. C. S. Montgomery, of the special commit-

tee of lawyers appointed to investigate th legal right of the city of Omaha and Douglas county to make appropriations for the support of the Exposition, reported that th authorities of the city or county have a such power. He said it would be necessar for the legislature to enact laws giving the ity and county such power before such ac

ion could be taken. The executive committee reported that in had not yet taken any action upon the reso-intion of Director Youngs regarding the emdoyment of Douglas county labor on the Exposition, and asked that it be given further time. The request was granted and the board then adjourned for two weeks

TRAIN GOES THROUGH A TRESTLE

Three Persons Are Killed and Fifteen Others Arc Injured. CLARION, Pa., Jan, 23 .- An accident

the Pittsburg & Western road near this place this afternoon resulted in the death of three railroaders and the injury of several others and about fifteen passengers. The dead are:

ENGINEER MORIARTY. FIREMAN BEATTY MAIL CLERK COPELY.

Conductor Fanks is badly bruised and rakeman Wise is so badly hurt that it is thought he cannot recover.

Mr. Clark, superintendent of bridges and trestles, had both arms broken. Twelve Twelve passengers on the train are badly hurt and a number bruised and cut. As the passenger train south from Kane

which passes Ciarion junction at 2:35, approached Paint Creek treatle bridge, mid way between the junction and Shippenvill the airbrakes refused to work and the whole consisting of engine, baggage and postal cars and two coaches, plunged over the trestle

CHARGES OF POLICE CORRUPTION.

Kansas City Department Receives a

Overhaufing. KANSAS CITY, Jan. 23.-At the closing of the first day's investigation of the police department Police Judge F. W. Gifford substantiated the claims of corruption made by

the first witnesses, and Managing Editor R. H. Lindsay of the Times told how his reporters had accured evidence of gambling The hearing opened today with renewed in terest. The work of the committee was begun bright and early. W. H. Cline, Times re-porter, detailed numerous trips which he had made to gambling houses said to have

been protected and where gambling went on uninterrupted by the police. Ex-Police Sur geon W. S. Campbell testified that he had geon W. repeatedly reported cases to Chief Irwin and toked that warrants be served on gamble whom he named. Nothing was ever done. he doclared, notwithstanding the dens were openly defying the law.

HATS OFF IN CHICAGO THEATERS

Dauntiess is Seized and Libeled.

NEW YORK, Jan. 23 -- A Jacksonville special to the World says: The Dauntless has been acized and libeled. The libel alloges: First, the act of sailing from this part with illegal intent; second, loading at almost exclusively to the Connetitor case and is voluminous. The earlier communi-cations include notes from Consul General papers, and ther and there mounting certain papers, and then and there moduling contain guns with intent to cruise against and com-mit hostile acts for a certain people called the insurgeris, or the Cuban revolutionists, against the peace and digolity of Spain, a lendly nation, and firing guns against ves sels of said friendly nation. The libel asks that the vessel be condemned. An officer was put on board. This means that the gov-

ernment does not intend that either the Three Friends or the Dauntiess shall go out of port while Cleveland is president.

MURDER A NOTORIOUS CHINAMAN.

Little Pete Killed by Three Men in a San Francisco Barber Shop.

EAN FRANCISCO, Jan. 23 .- Little Pete, the most noted Chinaman in San Francisco, was murdered by his countrymen in Chinatown tonight. He was sitting in a chair in Conau a Chinese barber shop when three Chinanen entered and shot him, inflicting a wound from the effects of which he died in a short time. The murderers were arrested. The murder is the euteeme of a quarrel benized by some one. This he refused to do, but when threatened with force he comtween two of the Chinese Six Companies, and it is supposed that the murderers are highbinders hired to do the jo
