surance. The fire was burning half an hour was discovered and only the experience in handling fires and saving property that Walters had acquired while he was chief of the fire department enabled him to save a valuable team of horses in the barn. There was some suspicion that the fire was set by burglars, who contemplated making a raid while the attention of the police was called to the fire, but the long delay in discovering the fire and sending in an alarm spoiled the plan.

Western Iowa Poultry, Farm and Garden association will hold a meeting at the house this evening. It is intimated that one of the matters that will be taken up for discussion and action is the chicken thief and the best means to cure him or kill him. An anti-chicken thief association with an cuergetic executive committee is among the things that may possibly be created. The largest part of the discussion after the regular order of business is over will be the discussion of the incubator, its use and abuses. People interested in chicken raising are invited.

The party will stop one night at Salt Lake City, where Corbett and Billy Woods of Denver will give a sparring exhibition. From Salt Lake Corbett will go direct to San Francisco, where he will re-main a few days. McVey, Woods and "Kid" Egan will probably stop off at Reno, Nev., to complete the arrangements for Corbett's training quarters, and after that they will be joined by Corbett, Bill Delaney, Charley White and Corbett's brother, Joe. They will go to Reno from San Francisco. Today the county officials of Benton county wired Governor Drake asking him, in view of the enormity of the crime, to offer a re-ward for Novak's capture.
