Total warehouse deliv-eries from the United States, 6.265 bags, includ-ing 5,465 from New York; New York stock today, Coffee Markets. New York Dry Goods Market. New York Dry Goods Market. NEW YORK, Feb. 8.-The feature of the mar-ket was the purchase by the American Printing company of 750,000 pieces of 64-square print cloths, which relieves Fall fliver of the entire stock of that sort of goods. The effect on this market was exceedingly healthy, and while there was an increased demand for light brown cot-tons, buyers found the market against them, The demand for light and heavy weight woolens was of renewed importance, as it also was for wool dress goods. There was a wide order re- witness said.
 Senator Lexow read the witness' part of the testimony given by him (Searles) before a former committee in which the witness expressed his views in regard to the control of the output of sugar in order to get rid of the computition paramiting heatween from witness said.
