THURSTON WILL REPORT FAVORABLY Senate Committee on Judiciary Almost Unanimous in Favor of the Fremont Man to Be-Judge in Nebraska. WASHINGTON, Feb. 15 .- (Special Telegram.)-Senator Thurston will report for confirmation the name of W. H. arrived at at a meeting of the senate judiclary committee this morning. When the nomination of Mr. Munger came up it was found that the committee was almost unanimous in favor of his confirmation. Mr. Thurston agreed to make the favorable report, no division on the question being taken.

The sommittee has agreed to favorably report the nomination of Charles F. Amidon to be United States district judge for North Dakota. This is the second time the nomiation has been reported. Senator Hansbrough had it recommitted on a statement that certain charges would be preferred. The judiciary committee concluded that the charges were not of sufficient importance to
