George Smith was arrested yesterday upon a warrant sworn out of Justice Cook's court charging him with the larceny of a house on Thirty-ninth street. The charge was perhaps somewhat exaggerated. The testimony showed that he had taken possession of the house and was occupying it with the family of Mrs. Schurz, second wife of George Lewis, and when he found that Smith had taken possession of it while she was temporarily absent, he came to an understanding with him by which he was either to pay rent or move. Smith declined to do either and he was arrested. He gave bonds for his appearance in court on March 6.

ELECTION WORRIES NO REVE.

Weather Too Cold to Get Up Much Political Enthusiasm.

BOTH PARTIES NEGLECT THE CANVASS

Republicans Begin to Think the Apathy Means Impending Victory at the Polls for the Democrats, Who Always Vote.

The fact seems to be generally overlooked that there is to be a city election on Monday, and that the result of the ballots will determine whether or not the legislative branch of the city government shall continue to be republican or be turned over to the democrats. People have a fixed idea that the election always occurs on the first Monday in March, but the impression seems to prevail that that period is some distance in the future. There has not been an election in the city in recent years where less apparent interest is being taken than has been disclosed so far. Occasional allusions to the election are heard on the streets and in cigar stores, but no general interest has been awakened. All of this argues that unless the weather has not been too cold for the election, a little more interest is taken in the election. It is a good deal of danger in this apathy. Voting is a sort of instinct with democrats, and a democrat rarely misses his chance at the polls, and the democratic vote may be safely counted upon. The margins between the two parties is very narrow, and a little indifference on the part of the republicans may result disastrously.

About the only place where there has been anything to show that an election is approaching is the school election, and the school board has been busy for a week or more getting ready the ponderous machinery of the Australian ballot. It is ready and the work of putting up the booths will be finished today.

There will be four aldermen to elect on Monday, and the school election, which occurs a week later, two members of the Board of Education are to be elected. The republicans have nominated E. S. Schurz, for alderman Third ward, the democrats, who have flocked with the populists, have put up a ticket that fully satisfies them. The school election is the only one of interest in this respect. The republicans have named as their candidates: For alderman at-large, E. S. Schurz, second ward, W. C. Boyer; members Board of Education, C. A. T. Schurz, second ward, W. C. Boyer; members Board of Education, C. A. T. Schurz, second ward, W. C. Boyer.

One important thing for voters to recollect today is that they are properly registered. The registration books are open today for additions and corrections of the poll books at the following places: First Ward—First precinct, Wheeler & Horvath; Second precinct, Wheeler & Horvath; Third Ward—First precinct, Wheeler & Horvath; Second precinct, Wheeler & Horvath; Fourth Ward—First precinct, Wheeler & Horvath; Second precinct, Wheeler & Horvath.

Third Ward—First precinct, Chicago house, 135 South Main street; registrars, W. R. Rue and J. M. Shea; Second precinct, 135 South Main street; registrars, Harry Brown and P. O'Donnell.

Fourth Ward—First precinct, office Grand Hotel, 209 South Main street; registrars, H. Gilmore and M. B. Brown; Second precinct, residence of L. Hotchkiss, 617 Twelfth street; registrars, T. C. Jackson and Arthur Slack.

Sixth Ward—First precinct, Bland Richardson's store, 2100 West Broadway; registrars, Wilson James and P. G. Mikessell; Second precinct, 1511 South Thirteenth street; registrars, H. Weiman and William Whiting.

START SUNDAY SCHOOL CAMPAIGN. State Secretary Bartlett Will Inaugurate Local Missionary.

The main meeting of the day will be held in the industrial school headquarters, in the Elmore building at 3 o'clock. This will be in the nature of a children's meeting, to which everybody is invited. The last meeting will be held in the Fifth Avenue Methodist church at 7:30 o'clock. There will be all-union meetings, and one feature that is sought to be strongly impressed upon the public is the fact that no collection will be taken at any of the meetings. Mr. Bartlett is a strong speaker. His work here will be the inauguration of the Sunday school campaign for the year. He will in fact, Rev. Henry DeLong into office and start him in his work as city and county missionary under the auspices of the union.

PIND MORE BUNDLES OF DOLLARS. Junk Dealer is Fined Twenty Dollars for His Part in the Affair.

The officers yesterday recovered several more good sized bundles of the very copper wire that was stolen from the motor company's driving park line. No new arrests were made, but sufficient evidence was obtained to connect other men with the crime.

At the morning session of the police court Judge St. John sentenced a man to jail for buying and concealing some of the stolen wire, was sentenced to pay a fine of \$25.00 as a punishment for the part he had taken in the affair. He is the man who had just chased the wire of young Stamey and Bar's, believing their stories that they found it in the street. He is the man who had just been brought to his shop. RECEIVERS COMPANY REORGANIZES.

Receivers About Ready to Turn Its Affairs Over to the Stockholders.

The business of the Receivers Manufacturing Company will soon pass out of the hands of the receivers, who have had charge of it for the last thirty days. The information was received at the offices of the company in this city yesterday afternoon. The company has been reorganized and all negotiations with the creditors have been completed. The propositions for settlement made by the company have been accepted and all that remains to be done is the final transfer of assets which will be held next Tuesday, called for the purpose at the home office of the company in Sterling, Ill. Immediately after that meeting the company will be asked by all the parties interested to discharge the receivers, and the business will be taken up where it was when temporarily interrupted.

The basis of the settlement with the creditors has not been made public. It is only known that the proposition made by the reorganized company was to pay every dollar of the indebtedness at full par value. It is supposed the creditors will be satisfied with these reasonable extensions. The official statements of the liabilities and assets of the company at the time the applications were made for receivership are not yet available. The receivers have not yet been asked to discharge the receivers, and the business will be taken up where it was when temporarily interrupted.

It is supposed the creditors will be satisfied with these reasonable extensions. The official statements of the liabilities and assets of the company at the time the applications were made for receivership are not yet available. The receivers have not yet been asked to discharge the receivers, and the business will be taken up where it was when temporarily interrupted.
