was always doing out-of-the-way Sha some bitter medicine: things. Therefore, her friends were seldom surprised at any bizarre action attributed to Still, it must be confessed that her most intimate was just a triffe nonpulsed when she remarked:

From Philadelphia Times.

"I am engaged to be married."

"But you are married, my dear," protested her friend, mildly, knowing from experience that a gentle protest was all that such a human cyclone yclept Alice Vane would tolerate."

"Oh, that doesn't matter at all."

"Oh, doesn't it?" voiced the protestor, who, had she been questioned prior to this interview, would have thought the marital tie quite an obstacle in the way of the engagement of one of the parties so bound to another not in the contract, but as proof of Alice's strangely hypnotic influence over the circle in which she moved it must be admitted that the friend was quite willing to be convinced that a married woman could with ease and no divorce announce her engagement with the sang froid of a widow

dance?

of hinebriety."

Mills.

who has buried her fifth. "I know it is unusual," continued Alice,

as she rocked slowly back and forth in the most comfortable chair in her friend's not over comfortable drawing room, "but I never did go in for routine, you know, and that is why I am afraid my marriage has been not altogether a failure, but sort of disappointing.'

"What did you expect, honeymooning all

"Of course, I didn't. Don't be silly, Elsa, but I find it horribly tiresome sitting oppo-site the same face 365 days in a year and writing to the same man whenever the monotony of table is varied by my husband's absence.

"That is, I presume, the reason why you have taken to writing to other men, and to sitting at luncheous and dinners opposite other faces," put in the candid friend with "Exactly, and that is why I am engaged

to be married to Jack Mills." "Engaged to be married! Why, you are

silly! How can you be?" "It is all very simple and you needn't

pooh-pooh an idea just because it comes as a perfectly new factor in your old-fashioned curriculum. I have told Charlie that I am tired of him and that I want to marry lack, and Charlie very sensibly accepted his

medicine, only stipulating that he and I should live together during the period of my engagement with the other, so that in case I got tired before the day set for our marriage I could fall back on him and thus avoid these embarrassing consequences that often attend broken engagements."

"He said that, did he?" queried Elsa. "Well, my dear girl, he is guying you." "Guying me, I guess not. You ought to have seen how serious he looked when I came straight out with the bald truth." "One would hardly expect him to be joy-

ous, would they?" "No, it wouldn't have been complimentary, 4:15pm 8:20am 6:10pm 2:50pm vet I hardly looked for him to be quite se passive in the matter. Well, good-bye, dear comember it isn't announced formally yet so don't tell more than just the old girls until I give you permission to go ahead." And

Words lacked entimulation. "I honeally be-lieve he is glaid to get with of me." She thought trade of his fouriers in the polished stair-trad of his fouriers in the polished stair-case announced that he had gone below in stairs. "How handsome he looked tonight. It is funny I never noticed how really dis-tinguished he is in appearance. To be down-right hones, if the were's my husband, I would think he were handsome than Jack and inclusive things. The were's my husband, I would think he were handsome than Jack and inclusive things. The were's my husband, I would think he were handsome than Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in loc little things. I wonder when Jack and in her tettly brown head she tripped down shack mit a marrying man. He ought meet house were the proper accompaniment for Elaxs to shock in face contulation of the couple upon when have when they mean more than the stairs to receive a sudden and unexpecte were the proper accompaniment for Elaxs together were bending over a great hunch of shock in face contulation of the couple upon were the proper accompaniment for Elaxs to dead white gown. "How lovely of you tor member that violets were my favorite there are out out contrained be a redon trees should there are out out of the saided as part to were the form that many she had ever erys mark the sourd of an hour before dinam-there are lowed with the argener terys in a way men have when they mean more than the way men have when they mean more than the aver in a peering which was more dangement at the sourd of an hour before dinam-the way men have when they mean more than the aver in the ourdit as present for the rev I give you permission to go ahead." And with a little butterfly kiss, a swish of silken skirts and a faint, subtle fragrance of vio-And lets in her wake, Alice passed out of the avenue, there to be joined a few moments later by handsome Jack Mills, who would have ordered his man to pack up for the Antipodes had he known what the infatuated little woman at his side had told her husband and friend as her interpretation of the mur-

"I think the dinner was too heavy, and the scent of the flowers too much. It wasn't a very gay dinner, was it?" she added pathetically.

"Oh, didn't you find it so? I never enjoyed one more. The novelty of it, you know, and then I never knew before what capital company Elsa can be-but I am forgetting. Knowing that tonight we were for-mally to renounce each other I made up my mind that the dinner should not be the only thing to mark your engagement, so I just ran down to a lawyer's and secured this little paper that I think will act as the very best scialities to your perves." And with a turned to her and said like one about to take

best sedative to your nerves." And with a careless air, which chilled poor Alice to the heart, he tossed into her lap a very legal "Well, what do you expect me to do?" "Do? Why, nothing but go on just as you have been doing all these months—only now we can act more openly—sort of with the un-derstanding that exists between engaged peo-ple, and that always makes others leave them alone together, and all that sort of thing." looking document, on which one word, as it appeared to her in blacker ink than all the rest, stood forth in cold, uncompromising distinctness-"Divorce." "Oh, Charlie, what is it?"

"A very unique plan," smiled Jack, with quiet cynickem. "I have never before heard of its being applied to any couple in our po-sition; but I suppose if yon say so, it is all right." To himself be thought, "There won't be abit of fun in making love to her when it is all clear setting. Have it all why did I "Our separation paper—our decree of di-orce," smiled her spouse grimly as he wanvorce," smiled her spouse grimiy as he wan-dered about as though absorbed in the fur-nishings of the room. "Pretty pleture that, very Frenchy, where did you get it?" "Divorce," gasped Alice. "Divorce, yes-why, wasn't that what you wanted? You know you can't marry Jack without it unless I am dead, and as much

is all clear sailing. Hang it all, why did I ever get into such a mess! These unconven-tional women are always doing some deucedly awkward thing, and the trouble of it all is they never mop to consider that they are as I would like to oblige you I can't promise to commit suicide—it is against my re-ligious principles, and besides 1 may wish dragging someone else into it, too." Aloud, however, he went on apparently unmoved: "Will I see you tonight at the Cravens" to enter into some new arrangement myself."

"No, I am not going, but will expect you tomorrow at dinner. It will be quite a family party—Charlie, Elsa, you and I. Au revoir." And with a coquettish glance from under her long lashes ahe ran up the steps of her pretty home and her conventional cavalier went on his way attended by some "You don't mean to marry," grasped poor Alice, and now for the first time realized that to give up Charlie would be very much harder than she had anticipated.

"Well, why not?" smiled her husband; you know that old Bourgeols saying, "Sauce for the goose, etc." " "But don't you care for me any longer?"

"Don's ask me, Allee. You know I am a man of honor, and you are another's af-fianced wife. Do not tempt me to forget that."

cavalier went on his way attended by some very gloomy thoughts. "Too deuced much of a family party," he murmured to himself. "I'll look like a nice chump sitting opposite her husband and knowing that every word I say to her he will have a right to think is one of love-men have let women make assess of them before "But I am not."

"But you are." "I am your wife; I don't want to be any this, but for consummate donkeylsm, I take the cake," and he turned into his club, from one else's. I have made a mistake and -oh Charlie, don't love Elsa. I will try so hard to be as bright as she is. Try me whence, several hours later, he emerged, as his man aptly put it, when he was endeavor-ing to get off his boots. "in a beastly state again, won't you?" and the wistful voice broke as two pretty hands were held out

pleadingly to him. "Alice, do you mean this-it is very con-"My dear, I really think your engagement linner will be a tremendous success." ventional, you know," said Charlie, in a voice he tried hard to keep serious. Charlie Vane, as he peeped into his wife's dressing room the next evening prior to going down to the drawing room, where Elsa was

"With all my heart; try me and you will see," sobbed Alice, and a moment after a already awaiting her hostess, her position of family friend allowing her to arrive quite very everyday sort of a woman was ensconced on her husband's lap, happier in that prossaic position that she had ever early and naturally also of Jack, who, you may be sure, was not going to run the risk of a mauvaise quart d'heure en tete-a-tete with his host. "The flowers are particularly lovely; I chose them myself, and I ordered been in any fancied romantic situation of her butterfly existence.

It was not until the wedding cards of Jack and Elsa were out that Alice dis-Tompkins to bring out of the cellar those special bottles of Margot we were going to covered that divorces are not bought like bonbons, and that the paper, like Jack's inebriety, had all been a part of a scheme concocted by her husband and friends to bring her to her senses. keep for our tenth anniversary. Of course, they will not be needed then, and I thought as there would probably never again occur a more festive occasion in our joint career, that they might as well be used up in bump-

But I would bother him now, for he's

tofore always been most ready to oblige, either by singing or with a gay little jingle on the banjo, now offered a headache as her excuse for not complying with her husher excuse for hot complying with her hus-band's request, and the party broke up at an unusually early hour, Jack undeniably somnolent, while Charile and Elsa were in-dulging in a protracted farewell interview, which Alice inwardly declared to be "in horribly bad form." Poor little woman, her new engagement didn't seem quite so ro-manue to her as she drawned horroit week. mantic to her as she dragged herself wear-ly to the violet-scented boudoir from which she had descended in joyful mood earlier in the evening. Her maid, noticing the ab-straction of her mistress, was unusually solicitous, but received only the shortest and

curtest replies from the white-robed girlish figure seated in despondent attitude before the long cheval glass.

Wonderful Man.

Chicago Post: "Most extraordinary man!" 'Yes?

"Oh, yes, indeed." "In what way?"

"Why, he can carry an umbrella so that not more than three out of every four people he meets have to dodge it."
