**HOW HE BOUGHT IT.**

The firm that owned this stock before the sheriff got it bought it all within the last three months to retail in one of the best stores on Broadway, New York City. Every garment is in the latest style. First class tailors made them, and the best of trimmings are used. This stock is a triumph of the wholesale tailors' art. It has all the style and tone of high class merchant tailors' productions.

**HOW WE BOUGHT IT.**

We, "Boston Store," bought the stock

Where it was sold to satisfy the creditors, who, through a misunderstanding of the firm's finances, sold them the goods in the first place. Then when the creditors could not get ALL their money, they TOOK what they COULD get.

**At One-Quarter the Price**
