Mellelala and a late and a late a Current Literature The second s

The May issue of Godey's Magazine is notable for many special articles of timely interest. The leading contribution is "Wash-ington Favorites," by Carolyn Halsted, and gives a brief sketch of the prominent so-though sad. Harper & Bros.' New York. ciety women of the capital. The photo-

graphs which accompany the article are very is a little romance of a young man brought attractive. "American Literary Diplomats" up by his father ' the depths of the forest, a tells of the prominent journalists and literary men who have held foreign office under the government. It is illustrated fully, and woman that he sees and is jilted by her. The outpourings of his love and sufferings recorded by himself and a few letters of the la quite suggestive at this stage of our national and political development. The lead-ing fiction plece of the issue is "A Floren-tine Rose," by Anna W. Young, an intensely dramatic tale of ambition and cruel wrong.

woman tell the story of his unfortunate life. There are some good touches in the story. Houghton, Mifflin & Co., Boston. Megeath's. "Phyllis of Philistia," by T. Frankfort Moore, reviewed some time ago in these col-There are six other interesting tales in the issue, and five excellent poems. umrs, is now republished in paper covers A most timely and exquisitely illustrated paper in the May issue of the Pall Mall Magazine is entitled "May Day in the Olden The Cassell Publishing company, New York. Megeath's. "A Bachelor of Paris," published and re

"A Hachelor of Paris," published and re-viewed about two years ago under the title, "An Art Fallure," is now reissued in paper covers. The book is a story of student life in Paris, by J. W. Harding, of the sort in which the French model plays an important part. F. Tennyson Neely, New York. "Two Strange Adventures," a story of the Jules Verne pattern formatic unbliched up. Magazine is entitled "May Day in the Olden Times," describing the gay festivities of the day in "Merrie England." Many of the pictures in this article are copies of famous paintings, forming a delightful study. Another finely illustrated paper de-scribes "Mount Edgeumbe" and is from the pen of Lady Ernestine Edgeumbe. A col-ored frontispiece by Alice Havers is en-titled "The Balliff's Daughter." W. T. Jules Verne pattern, formerly published un-der the title "A Marvelous Coincidence," reappears in paper covers. It is written by Greene's sketch, "Strange Sites for Birds' Nests," is full of interest and there is no Kinahan Cornwallis. Tennyson Neely, New York. stint of other delightful features, including poems and short and serial stories.

The principal feature in the May Midland The principal feature in the May Midland Monthly is a copy of Nast's latest and great-est historical painting "Lincoin Entering Richmond," the account of which event is told by Leigh Leslie. There is also an in-spiring frontispiece by Nast entitled "Saving the Flag." Lilian Walker Hale's paper, "The Club Movement in Kansas," is finely illustrated with contraits and sneaks well illustrated with portraits and speaks well for our neighbors to the south. Colonel Emerson's "Grant's Life in the West" closes Grant's career in Mexico, and Mary Avis Scott's "Across the Country in a Van" in-vades Texas and captures the state capital. The fiction of the number includes a prize story, "Lieutenant Burton's Wooing," by Captain Romanes of the regular army. James G. Blaine and William Ewart Glad-stone are the subjects of two carefully writ-

ten, finely illustrated articles in the May number of the Home Magazine. The frontis-piece is a three-quarters length portrait of Blaine, a reproduction of the picture of him-self which he liked best, and other illustra-tions in the article show the house in which he was born, the Catholic church where his parents attended and the church yard where they lie buried, and old Washington college at Washington, Pa., where Blaine attended for three years. The Gladstone article is an admirable sketch, and the illustrations are from his best portraits. Another important article is a symposium on the immigration article is a symposium on the immigration question, to which Congressman Ellish A. Morse of Massachusetts, R. W. Taylor of Ohio, W. A. Stone of Pennsylvania, R. W. Parker of New Jersey and W. C. Hepburn of

Unsurpassed for fine Linens, Muslins and Laces.

bank. At the time of the assignment Mr. Hutchins was in the office of the Waggonerexceedingly innocent that she possesses not even that knowledge of the world to be de-Birney company waiting for his money, and was not aware of the transaction until the rived from reading modern novels. Her ideas are perfectly fresh and one of her women friends has a way of asking her quesmoney was tied up.

money was tied up. Mr. Waggoner was notified in Chicago by wire of the assignment, and at once returned to Omaha to assist Moore & Hutchins in the recovery of their money. Suit was brought in the circuit court of the United States for tions about life and herself in a tone of banter which greatly disconcerts her, but only serves to amuse her queris'. Eva falls in love with Clayton Scaford, who is in many respects a remarkable man, but appears not the district of Nebraska, and resulted in a to have a sense of appreciation. He pro-poses to her and is accepted. Later he in-herits a vast estate, and then his fiance's value is diminished in his eyes. She loves decision in favor of the plaintiffs, but was carried to the United States court of appeals at St. Louis, only to have the decision affirmed. By this decision Moore & Hutchins not only recover the money resulting (from the sale of their cattle, but interest on the whole amount from the time of the sale. Megcath's. "The Day of His Youth," by Alice Brown

A Tonie. 1 4 7

Horsford's Acid Phosphate.

Dr. A. E. Carothers, San Antonio, Texas, ays: "It is the best tonic I know of in desays: bility and nervous prostration, with sleepcaused by mental overwork or prolonged lactation."

CONVICTED IN THE POLICE COURT.

Two More Bleycle Scorchers Con-victed and Fined.

Arthur Waterfall and R. G. Clark, two scorchers who were captured Sunday, pleaded guilty in police court yesterday to the charge of riding faster than the city ordinances allow and were each fined \$1 and costs. Waterfall ran into a woman at Park avenue and Leavenworth street. Clark was spurting on Binney street. Chief of Police Sigwart has instructed the

deak sergeants and captains at the police station to release persons arrested for bi-cycle scorching if they leave their wheels as security for their appearance in police court for trial.
