Minneapolis. Australian Ball Players Here. Harry Musgrove, with his Australian ball team, arrived in the city last evening. The team is composed of a sturdy lot of young athletes and this afternoon they will meet the University club team at the Twentieth street grounds. Mr. Musgrove made The Bee a call last evening and said that he expected to see the Antipodeans walk away with the ball this afternoon. They were in Denver Sunday and beat the strong amateur team of that city by a score of I to 15. His men have shown wonderful improvement since landing on our shores and by the time they strike eastern cities the general manager looks for them to surprise a lot of beople. Thus far they have averaged well with American players in hitting, but have been deficient in base running and fielding. They will visit all the principal cities of this country before completing their tour and will play Captain Clark's Windy City team on Thursday afternoon next.
