Presbyterians Decide Not to Sell the New York Structures.

ONE SECRETARY FOR HOME MISSIONS

Assembly Listens to Report of Board of Foreign Missions—John Wammanaker a Failure as Presiding Officer.

EAGLE LAKE, Ind., May 25.—The Presbyterian general assembly here today settled two important questions. The first was not to sell its building in New York, and the second to have only one secretary of home missions. The latest echo of the controversy over Dr. Briggs and the Union seminary came up in the report of the judicial committee, which extended to all presbyteries the order to exclude students of that seminary from their care. It was apparent that few commissioners knew what they were voting upon, as the matter came up on appeal from some unnamed action of the synod of New York, the name of the case also being given.

WISE ADVICE TO HUSBANDS.

Those Who Have Ailing Wives Will do Well to Accept It.

Do not wrangle and quarrel, and finally rush into the courts and try to get a separation from your faithful wife; but just stop a moment and think! Your wife, who was even-tempered and amiable, and all that was lovely when you were married,
