Computation Giving Death Rate o Commercial Concerns. NEW YORK, June 4 .- Bradstreets pub-

lishes this week the result of what is claimed is the most important statistical investiga tion even made concerning business failures in various lines of trade. It covers the pas three years and the summary of its resul presents the total number of failures in lines of business in which there were ten or more annually during the three years named Purely commercial enterprises, wholesale and retail, are seen to furnish 70 per cent o the business failures each year and manufac turing embarrassments about 20 per cent

Out of the increase of nearly 2,100 failures i The fund originally amounted to 1896 compared with 1895, 1,135, or more than one-half, were of retail commercial con

The counting of the total number of individuals, firms and corporations in business in thirty-seven groups of the more impor tant lines of trade is an unprecedented work These totals constitute what may be termed the business population of the country in these lines, and permit, with the totals of failures in these lines, the calculation of th commercial death rate in the department of business specified. This record shows that in 1896, seventy-seven out of every 1,000 cloth

ing concerns and fifty-one out of every 1,000 cycle houses failed in business, the two lines having relatively the greatest commer-cial mortality last year. The rate through-out the country in all lines last year was fourteen commercial deaths out of every 1,000 in business. Commercial failures were relatively most numerous after the two line

specified among manufacturers of or dealers in hats, furniture, glassware, dry goods notions, woolens, jewelry, lumber and hard ware. After that the rate of embarrasss ment approximates more nearly the normal.

NEW YORK, 5: LOUISVILLE, 2. NEW YORK, June 4.-Louisville had the game well in hand up to the ninth inning this afternoon and it looked as though the Colonels would take one of the series from the Glants. The New Yorks, however, in their half of the ninth inning made four runs and won the game. The Louisville men put up a strong kick at a change of decision by the umpire in the last inning and Rogers was put out of the game. Doheny and Cunningham pitched good ball, but their support was not good. The score: NEW YORK. game of base ball between Fairfield's heavy team and the Hastings college team wa played yesterday afternoon at the college grounds. Heavy hitting was done on both sides. The Hastings college team came out victorious by a score of 18 to 16. As these two teams are evenly matched and each has won a game it has been arranged to play a third game next week.
