To Grocers.

We have direct proof that peddlers of washingpowders say that the stuff they're selling is "made in the same factory" as Pearlineand that buying from them will save going to, or ordering from, the grocery store. Do you want people "saved" that. You have these same washing-powders in stock. Possibly you - are giving them out, whenever you can, in

place of Pearline. You are trying to push them into notice; they are trying to crowd you out. You think you are "making more money on them." But will it, pay you, in the end? 545

Send Feddlers and some unscrupations process will tell you "this is as good as "
or "the name as Fearline." IT'S FALSE—Fearline is never peddled,
