N. P. FEIL, Notary Public,

THE BEE ON TRAINS.

All railroad newsboys are supplied with enough Bees to accommodate every passenger who wants to read a newspaper. Insist upon having The Bee. If you cannot get a Bee on a train from the news agent, please report the fact, stating the train and rallroad, to the Circulation Department of The Bee. The Bee is for sale on all trains.

INSIST ON HAVING THE BEE.

PARTIES LEAVING FOR THE SUMMER

Parties leaving the city for the summer can have The Bee sent to them regularly by notifying The Bee business office in person or by mail. The address will be changed as often as desired.

If the Bank of Spain is slucky it is not so different from the government of Spain.

London dispatches report that "large or-ers for steel rails have been placed in the United States by two of the Indian railways a price said to be f1 per ton below the sure at which the contract could be filled England. That is to say, with our abun dant ores, superior labor and better machin-ery, the time has come when American rollic mills can make steel rails much cheaper han any others in the world.

Rushing to Financial Ruin.

Spain has borrowed \$49,000,000 to carry on the war in the Philippines anteed by the Philippine customs. the Philippines, guar-This vexatious trade regulations than over in the islands and a golden living for Spanish officials and more cruelty to the intives. If Spain keeps on with its extreme policy the possibility of Japan being the egatee of the Philippines will not be so remote. The Spanish navy, in case of Japanes nterference, would not be able to do more than act on the defensive, if that,

Suppress the Annual Massaere. Chicingo Tribu

The time certainly seems to have arrived when the Fourth of July question should be actiled intelligently and not left to chance. In a great city, with its vast property in rests and dense population, it is a mistake to throw down all the bars at once. There no patriotism in deliberately inviting succession of tragedice. There is a clearty defined point where danger bigins and the nexorably as they would be held under the law's restraints at any other time in the
