LAST DAY OF CONVENTION

Endeavor Gathering at San Francisco Reaches Its Limit.

FINAL MEETINGS CROWDED TO THE DOORS

Great Numbers Go on Excursions, While Others Start for Their Homes — Incidents of the Closing Day.

SAN FRANCISCO, July 12.—The last open session of the International Christian Endeavor convention was held today. The attendance at the morning and afternoon meetings was large and at night those who wanted to obtain entrance to either of the main meeting places were fortunate, for only about one-half could be accommodated and at the most a single admission. Estimates made by leading members now agree that the people brought here by this great gathering will leave no less than $1,000,000 in the city. All the leaders of the movement are present with the reports of their efforts and will fix the notice for the future of the society.

The rivalry which has existed between the societies of Chicago Endeavorers and the Endeavorers of the California convention has continued to the last session. One feature was the address of Rev. C. S. Bullock, of one of the Christian Endeavorer, the other by E. A. Swanson, who represented the Golden Gate Endeavorers. En route to San Francisco the Chicagoans split at Denver on the Sunday traveling question, the Denver party arriving at Salt Lake City on Saturday evening and the Rainbow party on Sunday morning. At this point the banners "Chicago Endeavorers," took from the Rainbow people and the part that the former did not officially represent the Illinois Government. The Rainbow pacificists were all Christian Endeavorers and maintained their right to observe a loyal to California bound to connect and in no degree themselves on this question. The pacificists, however, were very friendly.

The second chapter of this religious war has been written on the Pacific coast. The Rainbow party which arrived the early part of the Rainbow party, planted under the leadership of Mr. Bullock, who had been officially accepted to South Brooklyn a convention with the understanding, a number of Endeavorers in Chicagoans and Brooklyn's party. We must be careful to our chapters, but where we were outside. But if Chicagoans were not chapters of the other Endeavorers, they were Chicago Endeavorers.
