in fine condition, but the air was rather oppressive and scarcely ideal for record breaking.

In the 2:20 pace Silver Chimes was the favorite, but he gave no indications of doing anything for his backers. John Dickerson with Josephine stepped off three good miles and won each heat without having to be fully extended. It was the first race that Dickerson has won at the meeting, and a select few of the Hoosier delegation had a good day, for Josephine was an outsider in the early selling.

Red Seal was the first choice in the 3-year-old pace, with Patchen Boy second in demand. Red Seal finished third in the first heat, which was won in 2:13, and second in the next heat, which was made in 2:134. In consideration of Red Seal's showing last week, when he demonstrated his ability to go in 2:10, the judges decided to change jockeys, so they took Ervin out and put Geers in his place. The Kansas colt had been going to a break on the first turn in the previous heats, and Geers was cautioned to go slow with him. This he rather overdid, as it was 37 seconds to the quarter, with Patchen Boy ten lengths in front. Geers drove the Kansas colt from the half home in 1:02%, but he was a little too far back to win the heat. This third heat was about two seconds faster than any of the others.

The time made in the specials was a dis-

about two seconds laster than any of thers.

The time made in the specials was a disappointment and Mr. Browne, who drove them, says that rain and heavy tracks at Montreal and Manchester prevented him from having either Geniry or Robert J on edge. They leave here Tuesday night for Chicago. President Campau says there will never be another exhibition against time on the Grosse Point track unless remuneration the Grosse Point track unless remuneration for the exhibition depends upon breaking the world's record.
