

MISSOURI PRACITIC COSE

Decision in the Panama Coal Case Reached at Last.

SECRETARIES SIDE WITH THE SHIPPERS

Rate Charged Held to be Too High and an Order Recommended to the Board for a Reduction.

LINCOLN, Aug. 7.—(Special.)—The secretaries of the State Board of Transportation have made a finding in the complaint of George W. Gribben against the Standard Pacific Railroad company, in which the charge was that the road was charging a too high rate on mine run coal from the plain, mo. to Nebraska points. The complaint was made in April and the case was adjourned from time to time and several hearings were had before the Nebraska and Missouri boards of Transportation. The fact that the majority of cars of coal shipped from the Panama mines were received by the defendant as mine run coal and that the agents at Lincoln and Omaha arbitrarily charged and collected \$1.42 per ton, which was an overcharge of 32 1/2 cents per ton, was the determination of the secretaries reads as follows:

We would therefore recommend that an order be made requiring the defendant to deliver all coal received at Panama, Mo., as mine run coal, and consigned to points in this state, upon payment by consignee of the published rate on mine run coal, and to cease and desist from any further overcharges of any kind on coal shipped from the Panama mines, after such shipment has reached its destination.

A case in the supreme court appeared from Washington county brings out some curious statements as to the actions of a managing agent of the Chicago and North Western, who was employed by Samuel G. Glover of Blair to manage a branch Keeley institute on the river. The contract provided for a salary of \$100 per month. The plaintiff claimed that Glover had not fulfilled the contract and was entitled to a sum of \$728 with interest from September 20, 1895, to make up for the salary due and unpaid. Glover filed an answer in which he claimed that when he signed the contract he understood that he was a sober man and well fitted for the position. These representations he made to the plaintiff, and he claimed he himself was the injured party and asked for a judgment of \$1,000 against Wade in satisfaction of damages.

The Boston Marine Fire and Lightning Insurance company, with a capital of \$2,000,000 has been admitted to transact business in this state.

The Board of Public Lands and Buildings has today selected Eugene C. McClellan of Hastings as superintendent of construction of the new addition to the asylum at Hastings. Contracts were also made with the successful bidders.

Dr. Fall was up from Beatrice today. P. P. Price of the auditor's office is attending a convention at David City today.

A petition was filed with the governor today, asking for the pardon of Mike Yorky, who was sentenced to the state penitentiary for setting fire to a mill at Tecumseh. The petition is signed by 1,490 voters of Johnson county and 15 others.

CROP WILL BE BIG IN THE WEST.

Recent rains make the corn safe all over the state.

IMPERIAL, Neb., Aug. 7.—(Special.)—Chase county the past ten days, had several light rains and local showers, which kept the crops in growing condition, but last night there came one of the most magnificent rains that ever fell in the county. Reports from several portions of the county fully correspond with the fall at this place, which was the first in growing condition, but last night there came one of the most magnificent rains that ever fell in the county.

HAZARD, Neb., Aug. 7.—(Special.)—After two weeks of excessively hot weather in this vicinity, a heavy shower fell here yesterday. Rain began about 3 o'clock a. m. and more than an inch of water fell. Wheat is turning out more bushels to the acre than was expected by farmers here.

HASTINGS, Neb., Aug. 7.—(Special.)—Every farmer in Adams county is perfectly satisfied with the result of this year's labor. The small grain proved to be the largest and best crop ever produced in the county, and the corn could not be in better condition than it is at present. It is estimated that the crops on the Adams county farm will be valued at \$500,000. Already the wave of prosperity has washed this way and business men are feeling much easier than they have felt for some time.

TEKAMAH, Neb., Aug. 7.—(Special.)—While showers have been the rule in different parts of the county, the result of this year's crop in this county during the past week, is very satisfactory. The crops are generally well up to the mark, and the wheat and corn are in good condition.

BATTLE CREEK, Neb., Aug. 7.—(Special.)—Rain has been falling here for three days, making ten good rains since July 1. Early corn that had a good stand is good, and late corn is doing well. No more rain is needed this year, except for fall plowing.

ST. PAUL, Neb., Aug. 7.—(Special.)—The southeastern and central part of Howard county has been blessed with rain this afternoon, which will save thousands of bushels of corn. The precipitation here was 0.73 inch.

WEAVER, Neb., Aug. 7.—(Special.)—The recent heavy downpours of rain in this part of Saunders county have safely removed the question of a heavy crop from the bounds of doubt or speculation.

LEXINGTON, Neb., Aug. 7.—(Special.)—Some remarkable results are being reported under irrigation in this county. Anton Aben

INDIANA MAN DISCOVERS A REMEDY FOR LOST VIGOR.

Samples Will be Sent Free to All Who Write for It.

James P. Johnston of Ft. Wayne, Ind., after battling for years against the mental and physical suffering of lost manhood, has found the exact remedy that cures this trouble.

He is guarding the secret carefully, but is willing to send a few packages of his medicine to men who suffer with any form of sexual weakness resulting from youthful ignorance, premature loss of memory and strength, nervous debility and general debility, wherever needed. The remedy cured Mr. Johnston completely of all the ills and troubles that came from years of misuse of the naturally ordained functions, and is said to be absolutely reliable in every case.

STAGE REP WORKERS AT SEEBEY.

Fine Weather Greets the Campers Now at Lincoln Park.

SATURDAY'S PROGRAM HUGELY ENJOYED

Conditions Very Favorable to the Outdoor Exercises and All the Departments Got Excellent Attendance.

LINCOLN, Aug. 7.—(Special.)—The fine weather brought a large crowd to the Epworth Assembly today, and the grounds found to be in splendid condition, the mud from the recent rains having dried up, so that the walking was good in all parts of the park. The campers were much relieved to get good weather again, and a much livelier feeling pervaded the entire camp.

During the forenoon the question of making a reduction in season tickets for the balance of the season was raised, a number of applications for reduced rates having been received. While it was feared that if the word went out that rates had been lowered it might hurt the attendance during the first days of future seasons, still it seemed fair that those who had bought their tickets during the first days of this year should not be required to pay full rates for season tickets. It was finally decided that on Sunday morning season tickets should be sold for 75 cents each. This would be no reduction from single admission for the remaining three days, but the concession would give the privilege of going out and in without extra charge.

The program of the day was unusually good one, and the crowd was crowded at each service. Rev. W. E. McLennan's lecture, "What to Read," delivered in the forenoon, was well received. The service delivered at the amphitheater in the afternoon, were well liked, being quite up to the standard of Rev. Mr. McLennan's splendid service in the forenoon. The service by Schell, and the preachers' institute, were the subject of "The Minister in His Relation to Higher Criticism" by Rev. Mr. Schell. In the evening the Assembly chorus, Slayton Jubilee singers and the Hagwood string quartet, under the leadership of Mr. Schell, was the best one of the session.

The program for Sunday is as follows: 9:30 a. m.—Assembly Love Feast, conducted by Rev. Mr. Schell. 10:30 a. m.—Sermon, Bishop W. X. Ninde, D. D., LL. D., on "The Christian's Duty to the World." Music by Assembly Chorus and Slayton Jubilee Singers.

1:30 p. m.—Sermon, Bishop W. X. Ninde, D. D., LL. D., on "The Christian's Duty to the World." Music by Assembly Chorus and Slayton Jubilee Singers.

7:30 p. m.—Model Junior League Devotional Service, led by Mrs. G. W. Iham (Junior Devotional).

8:20 p. m.—Model Epworth League Devotional Service, led by Rev. Mr. M. S. Sison of Fremont. (Amphitheater.)

9:30 p. m.—The Slayton Jubilee Singers and Assembly Chorus (Amphitheater).

10:00 p. m.—General Secretary of the Epworth League.

ASSEMBLY NOTES.

A count has been made of the people camping on the grounds and the number is found to be 1,450. It is doubtful if this record can be equaled at any Chautauqua assembly held in the state.

It is estimated that the attendance for Sunday and Tuesday will reach 10,000 people each day.

There are about forty-five in the chorus, who all have very good voices, and do a surprising amount of good singing. The audience always has a little song service of its own previous to the arranged program for the day by trying their voices on the different hymns in the hymn book.

Forty delegates of the Episcopal Church, Episcopal church from Kansas and Nebraska visited the assembly grounds yesterday afternoon. Seats were reserved in the amphitheater, where they listened to the lecture on "China and Japan" by Bishop W. X. Ninde, D. D., LL. D., assisted by the Epworth string quartet.

A little ripple was caused today when some of the aged members of the Epworth Christian Temperance union raised objections to the sale of the ordinary red beer by some of the refreshment stands. The ladies concluded that the purchase of a bottle of small amount of alcohol. No action has been taken in the matter, as high authorities in Epworth circles have pronounced red beer a temperance drink.

W. P. NORTHROP, Chairman.

Woman Placed Under Treatment.

DAKOTA CITY, Neb., Aug. 7.—(Special.)—The wife of ex-postmaster Frederick Schriever became deranged yesterday and in safety to herself and her 5-month-old baby, she was placed in charge of the sheriff, who now has her confined in a room at the Eureka hotel under medical treatment. For a week past she had been on a visit at the home of her mother, Mrs. Winkhouse, near Homer, where she labored under the belief that attempts were being made to poison her. She was brought here and confined in the home of her mother, where she was unable to get along. She now has shallow wooden trough around his garden filled with the preparation. Chickens which have once become entangled afterward keep away from the paste.
