They Are Still Almost Confined to Arrivals and Departures.

NOW AND THEN AN INDOOR PARTY OCCURS

But for the Most Part Pienies, Lawn Socials and Porch Parties Make Up the Record of the Week.

The weather last week was too uniformly delightful to keep people in the house by day or evening, and, perhaps as a constquence, the few social occasions which make up the weekly tale were nearly all of the out-of-door kind. Little activity is looked for until after the Ak-Sar-Ben festivities in September. Settled cooler weather and the return to Omaha of the hosts of society people who are now sojourning in summer resorts east, west and north, will undoubtedly set the ball rolling at a good brisk pace, and the

At the Wilcox Lawn Party. The home of Mr. and Mrs. W. A. Wilcox, 2775 Burt street, was a scene of the pleasant lawn party given by the Misses Pearl Tyner and Maud Bonnell last Friday night. The lawn and porches were lighted with Japanese lanterns and a mandolin club furnished the music. Recitations were delivered by Miss Frankle Holland and Mr. Lee Forby, and instrumental music by Miss Goldsmith. Cherry phosphate was served from the punch bewl at a side table. Games were played which were entirely new and heartily entered into. Refreshments were served at small tables and during the repast unique and original souvenirs were given to each guest. They were miniature Japanese lanterns with kinetoscopic pictures of each hostess tied to each lantern with white ribon. Sweet peas were the table decorations Those present were: Mises Peters, Freda Vom Weg, Laura Fisher, Minnie Fisher, Frankie Holland, Goldsmith, Thompson of Chicago, and Messrs. Mr. and Mrs. A. C. Rawson are at home to their friends at 609 South Eighteenth street. The romantic circumstances of their, marriage on Pike's Peak are still fresh in mind, but the published accounts have hitherto omitted to state that the mother of the bride lent her approving presence to the occasion, and an impression, very annoying to the parties concerned, has got about that

the match was in the nature of an elopement. The following from the Lincoln State Jour nal will be of interest to the many Omaha friends of Miss May Moore and Mr. J. H. FUNK, HARSH AND HARLAN ARE RIVALS

No Candidate Has Much Over Half Enough Votes to Nominate on First Ballot_Outcome Much in Doubt.

DES MOINES, Aug. 14.-(Special Telegram 1-The last of the republican county conventions were held today and named their delegations to the republican state convention, which will be held at Cedar Rapids on Wednesday. The situation is not cleared by the results of today's gatherings. It is break ranke and return to their camps. There only certain that no candidate has within 300 votes of enough to nominate at the opening and that the result is undecided. Matt Parrott leads with a first ballot strength placed at 401 votes, 774 being necessary to nominate. The best estimates based on instructions or announced preferences of all the counties place the strength of the several candidates for first ballot thus: Matt Parrott, 401; A. B. Funk, 272; J. B. Harsh, 223; James Harlan, 201; L. M. Shaw, 160; J. W. Fuller, 122; H. W. Byers, 129. Parrott has the backing of the old political managers and is considered to hold the best chance, with Funk second and Harlan a serious possibility in case of a long contest, as he has friends in all parts of the state who may go to him.
