Throw Ten Men in Thirty-Seven Minutes Instend of an Hour. The wrestling tourney at the Charles Street park last evening attracted quite a large attendance, embracing many ladies and a large number of prominent business and professional men. The attendance was

and professional men. The attendance was Farmer Burns, champion catch-as-catch-an wrestler of the world, and Jim Gallatin, another professional of considerable prominence, pitted against ten men, local amateurs and foreign talent, who they were to throw within sixty minutes. As was anticipated they accomplished the trick with ease, having twenty-three minutes to spare.

The preliminaries were quickly attended to, Harry Crouch, a local ahtlete, being selected as referee and J. A. Benson and H. C. Gadke as timekeepers. Burns and Gallatin were then introduced, and as a prelude to the real work of the evening the Farmer made a little speech, explaining the many different styles of wrestling, with their holds, locks and breaks, and giving an exhibition of the manner in which he broke Evan Lewis' famous strangle-hold and other interesting features of the ancien

ame. Prof. Gallatin and W. E. Baehr of the Prof. Gallatin and W. E. Baehr of the Thurston Rifles then stepped on the mat for the initial bout of the tourney. In the outset Baehr gave promise of making an interesting go, but lack of condition quickly told, and Gallatin had "two points" down in just two minutes and thirty-five seconds. Following this pair came Farmer Burns and Rudolph Havelke, the Bohemlan turner instructor and a splendid all round athlete, but the champion had him hors de combatin just nineteen seconds. i just nineteen seconds. Morgan was the recipient of a salvo of applause for his plucky fight.

George Kendal, the South Omaha representative, lasted three minutes and five seconds, Gallatin finally getting a hip lock on, and quickly turning this into a crossbuttock the trick was turned. The long boy from the stock yards, however, died hard.

NEARLY EQUALS: SALVATOR'S RECORD

Does the Distance in 2:05 2-5 with the GrentniTaral Up\_Flying Dutchman Second. ... Havoe Third.

NEW YORK, Sept. 6.-The crowd at Sheepshead Bay today was the largest of the season. Ornament, the great 3-year-old of the season, won the handican at a mile and a quarter, giving weight to all those behind him, with the exception of Requital. and got only one pound from the great 4-year-old of the Thompson string. More than that, he ran the distance in 2:05 2-5, but a fraction behind the record for the track made by the redoubtable Salvator, when be was a 4-year-old, and carried but 122 pounds, the weights then being five pounds ess than now. For the first time Flying Dutchman was in the lead, closely followed by Bernardillo, Ornament and Havoc, while Requital, the favorite, was apparently going easy in the rear ranks. They rushed around the lower turn, got straightened out on the back stretch with Flying Dutchman setting a tremendous pace. There was a little weakening, however, as they rounded the upper turn, and Bernardillo was the infirst to give it up. Ornament was then in second place and Taral was crowding him a bit, for the distance to the end was short and Flying Dutchman showed no signs of accoming back. Havoc, too, was moving up, coming back in the last pulling up at the straight heats in the stra home, Taral and the others were riding like

demons. A furlong from home it was all over as far as Flying Dutchman was concerned, for Ornament was then in front, Taral let up not a whit and drove the gallant 3-year old still harder, and won by as much as he could-three lengths, at least. Flying Dutchman managed to last long enough to secure the place, although he was stonping fast, while Havoc beat Requital cut for the third money. Hamburg redeemed his defeat by Previous on Saturday and romped in a winner of the Autumn stakes with his Saratoga conquerer, Archduke, far behind and the others simply no where. In the second race Dorain was the favorite, but could not get up, the race going to Yankee Doodle, who led from start to finish. Re-

ST. LOUIS. Sept. 6.—Three favorites and a second choice were successful at the fair One or two of the original candidates falling to appear Havelke went on the second time, Gallatin being his opponent. A double Nelson was too much for the muscular Bohemian and he was "done" in fifty-five seconds.

Reginald Webb, a well-proportioned and wiry fellow from Jimtown, N. D., made Burns puff for four minutes and thirty-four seconds. A side-roll, the Lewis "press" and the north country visitor was out of it.

Leach then followed with Gallatin and was downed in six minutes and thirty-four seconds, making, however, one of the pretitest bouts of the evening.

Burns wound up the tourney by throwing Oscar Nast in two minutes and sevenien seconds. Nast, like Morgan, is a light weight, but a very clever one. The time for the ten men was thirty-seven minutes and six seconds, and having time to spare Burns wanted any half dozen men in the crowd to take a chance at him. He said he would throw the half dozen in ten minutes or make each a present of \$10. There were no responses.

The finale came in the shape of a fine

lem today. Three favorites, Milwaukee, Our Gertle and Dunois were the winning favorites. Dunois beat the Swain a mile in 1:40. Evanatus two miles were but 1½ seconds off the record. Results:

HARNESS RACES AT FLEETWOOD.

Three Thousand Spectators Enjoy the Opening Events. NEW YORK, Sept. 6 .- Over 3,000 spectators were at Fleetwood park this afternoon to see the big light harness sport in the opening day of the grand circuit meeting. The weather was perfect and the track in

Oakland Baron led all the way and won in straight heats in the last pulling up at the wire a winner by six lengths. Louis Victor was fast but broke repeatedly. In the first heat the winner got to the nalf in 1:3%, and in the second in 1:3%. Only four met in the \$2,000 purse for 2-year-olds, and Jennie T, a fleet filly by Bow Bells, sold first choice at \$50 to \$30 for the field, including Marcus Daly's crack colt Limerick, who won a \$7,500 sweepstake at Goshen last week. Limerick took the lead in the race to the half where he broke and the favorite went on and won by four lengths. In the second heat the filly broke and Limerick won so easily by two lengths that the betting changed to \$100 to \$40 on him. He started in well in the deciding heat and led to the changed to \$100 to \$40 on him. He started in well in the deciding heat and led to the half, but broke so badly that Jennie T came home as she pleased pulled up.

the turn and went salling along like a locomotive, getting to the quarter in 204 seconds and in the half in 1:00½ and came home easily, with Sphinxetta a poor second. Pools now sold \$25 to \$8 on Bumps and he justified the betting by winning by six lengths in 2:07½.

In this heat Planet broke in the stretch and swerved into Lantana, causing a breakdown with no serious results. Both horses were placed and started again. Bumps made a runaway race of it again in the third were placed and started again. Bumps made a runaway race of it again in the third beat, but just beyond the half Planet broke, swerved and threw his rider off and then galloped home in front of the field to the wire, where he was stopped. My doctor's medicine gave me no relief, and when I set up for five minutes I wanted to lie down again. My wife got very much discouraged and said she would try Dr. Pierce's Golden Medical Discovery; so I took two bottles. When I had taken halfa-bottle the pain began to leave, and after taking two bottles of it I felt like a new man, and could do my own work again.
