NEW YORK, Sept. 7.—Tebeau and the Indians came from Philadelphia to New York to day to play off two postponed games. They were played as a double-header and the Giants took both. New York won the first game in the second inning, when two singles, a passed ball, a two-bagger and a home run netted them four runs. McAllister relieved Cuppy in the fourth inning and but one hit was made off him, a homer by VanHaltren. Seymour pitched all kinds of ball, but with men on bases managed to pull out of the hole, except in one case where, with the bases full, he forced Burkett over the rubber by giving him a base on balls.

In the second, being able to hit the ball when men were on bases was what took the game. Off their seven hits the Giants got a total of thirteen bases. McAllister also pitched a good game. Rusie was in good shape and kept the Clevelands' hits scattered. Score, first game:

WASHINGTON, 7; LOUISVILLE, 1.

WASHINGTON, Sept. 7.—By winning today's game Washington went to the top of the second division. Three of the Senators' runs were due to Dolan's error in the second inning, and in the eighth four successive hits for a total of nine bases scored the other four runs. McJames pitched unusually well, striking out nine men, in one instance retiring the side on strikes after Wilson's three-base hit, not allowing Wilson to score. Umpire Emslie was struck below the knee by a pitched ball and will be out of the game for several days. Attendance, 2,000. Score:

HARNESS RACES AT FLEETWOOD.

Chestnut Colt Crescens Plays with His Field of Pacers.

NEW YORK, Sept. 7.—At the Fleetwood park races today the attendance was fair. In the 2:24 trotting class the Village Farm mare, Emily, was the favorite at even money against the field. In the 3:00 pace, the chestnut gelding, Quadriga, sold at $40 to the field $50, Forest Herr being the reliance of the fielders. In the 3-year-old trotting class the sensational chestnut colt Crescens, 2:11¼, was the choice at $100 to $30. The pacing race was soon decided, as the favorite played with his field through three heats, taking the lead at the word and keeping it to the wire with lots to spare. The race of the day was the 2:24 class, and his favorite had a close squeeze for the money. The 3-year-old race was soon settled, as Crescens led from start to finish, though the Village Farm filly, American Belle, never gave him a chance to make a mistake. Summary:

Canadians Win at Cricket.

TORONTO, Ont., Sept. 7.—The Canadians won the cricket match with the American team at Rosedale today by eight wickets. The day was not an ideal one for cricket, being cloudy, with a cheerless light. A. E. R. Martin was not well, and his place was taken by J. H. Forrester. The second innings of the United States team started at 11:30 and from the start they made it look as if Canada would win by one innings. Morrice quickly scored his 33 before he was caught and bowled by Laing. He hit freely and with judgment. Brown played splendid cricket for his 38, as also did Morton for his 17 not out. Brilliant fielding at times by Goodman, Terry and others was liberally applauded. Score:

United States—First innings, 85; second innings, 129. Total, 214.

Canada—First innings, 179; second innings, 38. Total, 217.

Fremont to Have a Bicycle Meet.

FREMONT, Neb., Sept. 7.—(Special.)—A good list of bicycle races under the direction of the League of American Wheelmen will be held here September 13. The list of races, seven in number, includes a one-mile professional tandem and a three-mile professional handicap. The races will be held at the fair grounds track, which is one of the best half-mile tracks in the state. A good line of prizes has been hung up for both amateur and professional events. Many of the fast men who have been following the Kansas and Nebraska circuit races will be here. Fremont has always been a good town for bicycle races and the circuit races here this year will prove no exception. Several locals have been in training for some time for the amateur events and will do some good riding.

Fight to a Draw.

PHILADELPHIA, Sept. 7.—"Young Griffo" of Australia and Charley McKeever of this city met at the Olympic club, at Athens, Pa., tonight in a fifteen-round contest, which was decided a draw, although a majority of the 2,000 spectators believed McKeever had a shade the better of the contest. For the first seven rounds Griffo put up an excellent fight and showed his old time form. McKeever was slow throughout these rounds, but in the eighth he began to loosen up and in the last five rounds had it all over the Antipodean. Especially in the fourteenth did the local man show up well. He hit Griffo where and when he pleased and in the final round Griffo seemed very tired and kept away from McKeever.

LOOKS BAD FOR LUETGERT

Two Witnesses for the Prosecution Give Damaging Testimony.

RELATES TO EVENTS ON NIGHT OF MAY 1

One Witness Saw Luetgert and Wife Enter Sausage Factory and the Other Heard a Cry of Pain.

CHICAGO, Sept. 7.—Two strong points were scored by the prosecution in the Luetgert trial today and unless the defense is able to impeach the testimony of the witnesses their evidence is likely to have considerable weight with the jury. The two witnesses were Nicholas Faber, who testified that on the night of May 1 he saw Luetgert and his wife enter the sausage factory, and Charles Hengst, who swore that on the night of May 1 he passed the factory and heard a cry from within as though someone was in pain. At the hearing before the police justice by whom Luetgert was held to wait the action of the grand jury Hengst said he could not tell whether the cry was that of a human being or of an animal. Today he said, however, that he was confident that the cry came from a human being. The defense relies greatly on the statement he made before the trial to impeach his testimony. Faber grew confused somewhat on cross-examination and could not tell whether the moon shone or whether it was a cloudy night when he saw Luetgert and his wife enter the factory on the night of May 1, but he stuck stoutly to his story that he had seen the two people enter the factory shortly after 10 o'clock on the night of May 1.

LOVE LETTERS READ.

The reading of love letters which had been written by Luetgert to Mrs. Feldt was great fun for the crowd in the court room and it was very embarrassing for the defendant, as in several of them he had spoken in a slighting manner of the lawyers who are now conducting his defense, saying that they were "greedy and not able to handle a trial of such importance." He laid particular stress on the incompetency of Judge Vincent, who is now the leading counsel for the defense. When these portions of the letters were read the lawyers laughed and nobody enjoyed them more than Judge Vincent, but it was not pleasant for Luetgert, who twisted around in his chair, mopped his face with his handkerchief and seemed to be uncomfortable generally. The defense made a strong fight against the admission
