

SCHOOL LAND LAW IN DOUBT

Fawcett County Parties Intend Bringing a Test Suit.

LEASHELDERS' RIGHT TO PURCHASE

Main Feature of the New Statute Attacked as Unconstitutional by the Holder of an Assigned Contract.

LINCOLN, Sept. 18.—(Special.)—The constitutionality of the new school land law is to be tested in the courts, the preliminary steps to that end having been made by County & Fulton, attorneys for Fawcett County.

They will bring the case in the name of T. Patterson of Fawcett county, who resides on some school land and desires to buy it. Their contention will be that a man holding a lease of land under the old law also had the right to buy the land from the state, and that so long as he holds the lease the right to purchase cannot be taken from him by legislative enactment.

The State Printing Board held a meeting yesterday afternoon to consider the bill of the State Journal company for the printing of 1,000 copies of volume XLIX, Nebraska State Reports.

TO CURE DYSPEPSIA.

A New Remedy Which Will Do It.

Chronic dyspepsia is considered by many people to be incurable, and it is true that no good reason can be given why it should be so except that perhaps they have tried various remedies which have failed to give relief.

This new remedy is called Stuart's Dyspepsia Tablets, being put up in tablet form so as to be easily taken and to preserve its good qualities for an indefinite length of time.

Notwithstanding the good benefits to be derived from Stuart's Dyspepsia Tablets, the price is but 50c for full sized package and all druggists sell them.

HAVE POWER AT THE POLL.

NEED THE HOLY GHOST AT BALLOT BOX

Dr. Spencer of Philadelphia Gives Interesting Discourse to Nebraska Methodists on the Church Extension Society's Work.

YORK, Neb., Sept. 18.—(Special Telegram.)—The subject of the address given by John G. Woolley yesterday afternoon at the Methodist conference at Christian City.

His principal thoughts were on the duty of the Christian at the ballot box and of his giving testimony of the faith and power within him. He laid down the statement that the liquor question is about the most one-sided question before the people.

Power is what you need. The bible says that he has power who has the Holy Ghost within him, but I have seen preachers who talk loud and loud of the Holy Ghost, who preach it and teach it and pray it, but who, when the saloon is under an excise law, have not a word to say for it.
