ded at 4:15 this morning. Griffin, the opponent of Cummings, has been placed under arrest.

The fight was of the whirlwind order from start to finish, and both men gave and received much punishment. Each was fairly clever. Fifteen rounds were fought, but before the end of that time both of the fighters were in an apparent state of exhaustion and physicians and others had made efforts prior to the fifteeath round to bring the battle to a close, in the fifteenth round Griffin hit Cummings a hard punch and the latter sank to the floor, not from the effects of the blow, but from lack of vitality. He was ploked up and carried to his corner and them to his dressing room. He compained that his head hurt; asked that he be laid on his stomach and became unconscious. From that time he never spoke audibly. Physicians were summoned and made an examination of the man. Dr. Bloom of the Charity hospital said that he was suffering with hemorrhage of the brain and possible concession.

An ambulance was called and the poor fellow was taken to the Hotel Dieu. The best of attentian was given him, but at 4:15 a m, he died.

Griffin had also been badly punished and was taken to his home. Policemen were sent to watch by Griffin's bedside. When Cummings was a motorman and Griffin was placed under arrest, but was not able to be moved.

Cummings was a motorman and Griffin the son of a police officer. The former had been married but seven months. The fatal termination of the fight may have an effect on the scheme to revive boxing contests and may prevent the McPartand-Everhard fight on Monday night next.

PRINCETON, N. J., Oct. 13.—For ten minutes of the first half of the game between the Tigers and the Pennsylvania State college on the 'varsity gridiron this afternoon every indication pointed to a repetition of last year's game with Lafayette, when Princeton could not score. The men from Central Pennsylvania were giants when compared with the 'varity in height and played splendidly for ten minutes, twice nearly making touchdowns on fumbles by the Tigers and downing the 'varity backs time and again with no gain. But the Tigers superior training told and after the first ten minutes Princeton was able to score. The 'varsity team work was poor and fumbling frequent. Princeton's touchdowns were secured by Wheeler, Bannard, Sutter, Ray, and the game ended with a score of 31 to nothing.
