FORCED TO SHOW HIS HAND. Re-Field Compelled to Admit the County is Indebted to Moores.

AUDITOR TATE MAK'S THE STATEMENT. County Commissioners Notified That \$14,677 Is Yet Due from the Ex-Clerk of the District Court.

County Clerk Redfield, through Auditor J. H. Tate, has been forced to admit that at least a portion of the \$35,695.34 that Mayor Frank E. Moores claims is due him in fees from the county during his term as clerk of the district court is properly owing to him.

The statement was drawn up at the request of Commissioner Kierstead after the matter had been called to the attention of the board recently in two communications from Mayor Moores, in which he asked that a speedy accounting be made. In this statement Auditor Tate tabulated as follows the \$35,695.34 in claims filed by Mayor Moores, which remain unsettled:

Oh, How Thankful. Pain Was Maddening and Hope Had Been Abandoned—Wonderful Results of Purifying the Blood.

"A very severe pain came in my left knee, which grew worse and worse, and finally a sore broke out above the knee. It discharged a great deal and the pain from my thigh down was maddening. Large, hard, purple spots appeared on my leg. I suffered in this way for years, and gave up all hope of ever being cured. My wife was reading of a certain medicine and when I had used a few bottles I found relief from my suffering. Oh, how thankful I am for this relief! I am stronger than I have ever been in my life. I am in the best of health, have a good appetite and am a new man altogether."
