

RED MEN BITE THE DUST

Carle Indians Go Down Before the Princeton Tigers.

HARD FOUGHT BATTLE ON THE GRIDIRON

Representatives of Old Nassau Win Out by a Score of 18 to 0—Record of Other College Games.

PRINCETON, N. J., Oct. 16.—The Indian and the Anglo-Saxon met in battle on the gridiron today and the noble red men were trampled into the sod once their own by the giants who wear the molokini and jerseys of Old Nassau. The contest was one of the most furious in the history of gridiron sport. The score of 18 to 0 would indicate a comparatively easy victory for the Tigers, but never was a victory for the orange and black attended with so much clatter and so many injured men. Unlike his ancestor, the Indian fought man-to-man with a ferocious which perhaps he has never before shown on the gridiron. Cheering thousands filled the stands and witnessed the great struggle.

The game began with a kick off by Hudson to Baird, who ran thirty yards. The pigskin was fumbled and an Indian fell on it. The red men tried a mass play, but lost the ball on a fumble. Reiter falling on it, Reiter went through left tackle for ten yards. Wheeler pulled him through the center for eight yards more. A wedge play was stopped by Bemus Pierce on the fifteen-yard line. Hannard and Wheeler pounded the center for short gains and in a mass play Hannard was sent over the line for a touchdown. Baird missed the goal. Score, 4 to 0.

Baird caught the kick off and punted forty yards to H. Pierce. Jamison fumbled and the Tigers fell on the sphere. Hooh quashed a center play. Hudson crashed through the Indians for a forty-five-yard run being run down by Seneca Meloxen, kicked Armstrong and a wrangle ensued, Armstrong and Jamison being laid out and Wards and Cayo taking their places. After the first gains Reiter made a splendid run for fifty yards. The Indians got the ball on downs, but lost it immediately. Short runs were made and Hannard sent over the line for a touchdown. Baird kicked the goal. Score, 10 to 0.

The remainder of the half was played in the center of the field and the half ended with the ball in Princeton's territory.

SECOND HALF.

The hot weather affected the players, but they fought heroically during the second half, which commenced with a kickoff by Baird out of bounds. Pierce returned with a punt from the ten-yard line, Wheeler fumbled and Lachrop fell on the ball.

Three downs and Wheeler punted to Metoxen, who was downed in his tracks by Cochran. Hannard, who had played brilliantly, was replaced by King Kelly, who with Reiter pounced the Indians for no gain. The Indians got the ball, but made no gain, and Hudson tried to punt, but the great Holt blocked the kick and Reiter, picking up the ball, made a magnificent run of seventy-five yards for a touchdown. Baird missed goal. Score, 14 to 0.

Baird caught the kickoff and ran twenty yards. Reiter and Kelly went through the line for twelve yards, and a steady gain advanced the sphere to the Indians' five-yard line and Kelly went over for the last touchdown. Holt missed an easy goal. Score, 18 to 0.

Bemus Pierce called on his blades for a final effort, but without avail, and the game ended with the ball on the redskins' fifteen-yard line.

NEWTON, Mass., Oct. 16.—Yale defeated the Newton Athletic association team here this afternoon, 10 to 0, before a crowd of 2,000 spectators. The Yale team was a big disappointment. Their play was loose, their backs showed little good interference and the way the Newton backs repeatedly ripped up the holes in the visitors' lines showed an unexpected weakness in their defense at several critical points. There was really but one redeeming feature in their play—a team, and that was in the quickness with which the backs got under way in receipt of a kick. But the Yale backs favored punts in school boy style.

PHILADELPHIA, Pa., Oct. 16.—The Pennsylvania football eleven today defeated Dartmouth by the score of 21 to 0. The game was first and last in the second half—twenty points more than Harvard scored against the same team last Saturday. The game was marked by the absence of Captain Sims at fullback, and Carnett at left tackle. But even with this handicap the Dartmouth boys were no match for the sturdy Pennsylvanians. At no time during the game did the visitors manage to get a yard.

HARVARD, by WEST POINT, N. Y., Oct. 16.—Harvard met the cadets on the gridiron this afternoon with the thermometer at 75 degrees and no breeze. The game resulted in a score of 10 to 0 in favor of the crimson. Under the circumstances, the result was remarkable, as at times Harvard was clearly outplayed by the West Pointers, and only succeeded in gaining the lead through good work by Dibble and remarkable running and good defensive work. Harvard's play was loose at all times. Attendance, 2,000.

LEHIGH, by WILLIAMS, Pa., Oct. 16.—One of the most TO CURE NERVOUS DYSPEPSIA.

To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean, Make a Test of Stewart's Dyspepsia Tablets.

Interesting Experience of an Indianapolis Gentleman.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame and are surprised that they are not cured by nerve medicine and spring remedies; the real seat of the mischief is lost sight of; the stomach is the organ to be looked after.

Nervous dyspepsia often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular; in others, the kidneys are affected; in others the bowels are constipated, with headaches; still others are troubled with loss of flesh and appetite, with accumulation of gas, sour risings and heartburn.

Mr. A. W. Sharper of No. 61 Prospect St., Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stewart's Dyspepsia Tablets. I have been a sufferer from nervous dyspepsia for the past four years; have used various patent medicines and other remedies without any favorable result. They sometimes gave temporary relief until the effect of the medicine wore off. I attributed this to my sedentary habits, being a book-keeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have returned to flesh, sleep better and am better in every way. The above is written not for notoriety, but is based on actual fact."

Respectfully yours, A. W. Sharper, 61 Prospect St., Indianapolis, Ind.

It is safe to say that Stewart's Dyspepsia Tablets cure any stomach weakness or disease except cancer of stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headache.

closely contested games of the season was played here today between Lehigh and Williams, and but for an accidental road from the field, neither side would have scored. Williams was much heavier than Lehigh, but the latter played a quicker game. Hollmann kicked a goal from the field four minutes after ball was put in play and the five points were all that were made. Score, Lehigh, 5; Williams, 0.

CORNELL, by LAFAYETTE, Pa., Oct. 16.—The Cornell-Lafayette game here resulted in a tie, each having four points. The result was no surprise to the friends of the home college. Here three backs—Worthington, Wallbridge and Bray were on the sick list and in no way did the Cornell team show improvement at the end of the game, the trio was compelled to give up playing.

MINNESOTA, by GRINNELL, Ia., Oct. 16.—Minnesota beat Grinnell today by a score of 6 to 0. It was the poorest football the present Minnesota team ever played at this time in the year and the alumni and students are discouraged. Grinnell had the ball in Minnesota's territory during the first half, and was repeatedly on the five-yard line. Captain Harrison did not play, being out of the city, attending to a relative.

WASHINGTON AND JEFFERSON, by PITTSBURG, Pa., Oct. 16.—Pittsburg college and a superbly resistant team today, but could not withstand the terrific mass plays of their heavier opponents, the Washington and Jefferson eleven. The game was one of the cleanest and hardest fought of the season here. Two touchdowns and goals were scored by Washington and Jefferson in each half, making the contest a brilliant play. The game was made, and the score was made by successive mass plays, aided by a few around-the-line plays.

BROWN, by WESLEYAN, N. J., Oct. 16.—Brown defeated Wesleyan at Adelphi park this afternoon by a score of 24 to 12. The game was close and exciting. Twice the score was tied. In the second half Wesleyan weakened, while Brown showed improvement, and the result was a clean victory for the home team.

MICHIGAN, by OHIO, C., Oct. 16.—The University of Michigan eleven defeated the Ohio State university by a score of 21 to 9 today. This score was made in the first twenty minutes, after which the play assumed the form of a practice game. Men were changed and kicking and defensive work was the order of the day. The Ohio players were no impression on the University of Michigan line. The varsity showed up in fine form during the second half, but the play was fast and the work steady. Before J. C. Knight of Princeton; umpire, E. Wilson of Ypsilanti; linesmen, Keller and Simmons.

OTHER GAMES.

ANNAPOLIS, Md., Oct. 16.—The Pennsylvania Reserve naval football team was well defeated this afternoon at Annapolis by the navy's game from the start. Total score: Navy, 20; Pennsylvania, 0.

CHICAGO, Oct. 16.—The University of Chicago football team defeated the Boist college at Marshall this afternoon by a score of 2 to 0. The game was characterized by fumbling on both sides, but the visitors were outplayed, chiefly by the Chicago men.

EVANSTON, Ill., Oct. 16.—Iowa defeated the Northwestern university today by 12 to 6. The result was a surprise to both victors and vanquished.

CLEVELAND, O., Oct. 16.—The Western Reserve university defeated Kenyon college on the gridiron today by 30 to 0. The Kenyon boys were outplayed by the Clevelanders.

GREENCASTLE, Ind., Oct. 16.—Purdue defeated DePauw here today before 500 people by a score of 8 to 0. Had DePauw not been defeated in the first half, the result would have been scored.

NASHVILLE, Tenn., Oct. 16.—Foot ball Vanderbilt, B. Central University of Kentucky, B. Centennial Guards, 12; Bethel college, 6; University of Nashville, 6; Sewanee, 6.

LAWRENCE, Kan., Oct. 16.—Kansas State University, 22; Warrensburg, Mo., Normal school, 0.

NEW HAVEN, Oct. 16.—Yale freshmen, 12; Woodland, 0.

OBELIX, Oct. 16.—Oberlin college, 11; Ohio Wesleyan university, 3.

Whist Notes. After several attempts the Omaha Whist club has succeeded in framing satisfactory rules for the Saturday night trophy contest. These rules are, in effect, that the holders shall defend it every Saturday night. The other members of the club present on Saturday nights shall play "progressive fours," and the four winning the greatest number of matches shall play the holders on the following Saturday. Last Saturday Burkley's team, the original holders, were defeated by Burrell's team, composed of Drs. Burrell, Sumner, and Joseph Joplin, who are the present holders. In the "progressive fours" the result was as follows:

Team, Captain, Matches Won, Lost, Score. 1. Jones, 4, 0, 21. 2. M. Dowell, 3, 2, 2. 3. Constock, 2, 2, 2. 4. Secor, 1, 2, 2.

The winning team consists of Jones, Meikle, Cox and Shoe.

Many whist players of Omaha hesitate to join the club because they are without regular partners and consequently when they appear for play they get "blown's choice," and possibly the lowest score. For a person who feels that he knows the game to the lowest score, several of our whist players are undoubtedly very discouraging, but the fault is not really due to having a strange partner. Players who are accustomed to home play play pretty much the same game at each sitting and can read the cards very accurately. When they come to the club they meet all kinds of players. They run against the Howell committee, Work, the St. Louis system and a number who have systems of their own, and a number who have no system. It is the personal equation of the various members that is responsible for the low scores. These scores are not apt to be low until the new member has time to size up his adversaries.

It is, of course, unfortunate that there should be such a difference in the style of play of the members of the same club, but this is the personal equation of the various members that is responsible for the low scores. These scores are not apt to be low until the new member has time to size up his adversaries.

The scores on Wednesday night resulted as follows:

North and South—Constock and Johnson, 26; Jones and Meikle, 24; Heintzel and Rinehart, 21; Heintzel and Crumpler, J. B., 20; Garner and Brunner, 19; Jones and Meikle, 18; Moresman and Reilick, 17; Hawks and Tucker, 16. Average, 20.

East and West—Lawrence and Shipley, 23; Standford and Scribner, G. O., 22; Cahn and M. Dowell, 21; Douglas and Sumner, 20; Peters and Coakley, 19; Scannell and Conner, 18. Average, 20.

The first test for the month of October is as follows:

Washington, Oct. 16.—The race between H. J. Wefers, the champion sprinter, and Fred Seneca, the bicycle crack, which was scheduled as the feature of the George W. Wefers bicycle race, was postponed, taking place, owing to the illness of Wefers. He was on the track, but in no shape to race. The race was won by Fred Seneca, who was allowed a handicap of ten yards and the inside of the track. Seneca's time was 1:14.5.

OVATION TO MISS CISNEROS

Fifty Thousand People Turn Out to Welcome the Cuban Heroine.

At the club's annual meeting the following resolutions were adopted for the ensuing year: President, Herbert Watson, New York; vice president, Basil Hazman, Chicago; treasurer, Arthur Melrose, Hawarden, Ia.; secretary, H. G. Nichols, Michigan; S. D. Delegates to American course board, Herbert Watson and John Charlton, respectively. Committee: J. A. Graham, St. Louis; John Charlton, Minneapolis; L. L. Sears, Davenport; M. Allen, Chicago; J. Russell, Cable.

NEW YORK, Oct. 16.—The popular reception to Evangelina Cisneros y Cisneros in Madison Square tonight was an extraordinary demonstration. Fully 50,000 persons, probably one-third of them well dressed women, crowded the upper half of Madison Square park and filled Broadway and Fifth avenue and waited patiently for the congratulatory speeches to be finished and the Cuban heroine to appear.

A stand had been erected south of the Worth monument, from which the speeches were delivered and which the Seventh Regiment band was stationed. The crowd began to grow a little restless and it was decided at 9 o'clock that the young woman should be brought out. A Lincoln de Zayas was speaking when a carriage containing Miss Cisneros and Karl Decker, her rescuer, appeared at the stand. Attired in white satin and enveloped in a huge fur-caped cloak the Cuban girl mounted the platform, bowing and smiling to the people. Miss Cisneros y Cisneros' appearance was the signal for a tremendous demonstration by the great crowd, which stretched out for a hundred yards before her. The men yelled and waved their hats, the women yelled their hosannas and the band played a Cuban battlesong. With a bouquet in her right hand and a pleased but diffident expression on her face, Miss Cisneros bowed and then turned to Mr. Decker, indicating that she wanted him to understand that the applause was as much for him as for her. For several moments the two stood forth while the cheering continued. Then Miss Cisneros was led back to the rear of the platform, where she smiled and bowed to the crowd on that side. Then she descended the steps to the carriage, which was driven around the square and back to Delmonico's.

Previous to the appearance of Miss Cisneros' arrival a number of short speeches were interspersed by selections by the band. Murat Hallett was chairman and introduced the speakers.

SENATOR THURSTON SPEAKS. United States Senator Thurston of Nebraska was the first speaker. He was very hoarse and could be heard for only a few feet from the stand. Senator Thurston said it was the duty of our government to grant independence to the Cubans.

"If I had my own way," he said, "not only would the belligerency of Cuba be recognized but I would send a battleship to anchor in Havana harbor in order to inspire with hope and courage those who are struggling for freedom."

Congressman Sulzer was the next speaker and he was followed by Dr. de Sava, who was the chosen representative of the Cuban colony in this city. He described the work being done by the Cuban army and asked Weyler. The crowd frequently applauded him.

It had been announced that nearly all of the candidates for mayor would be present to speak, but Henry George was the only one to appear. Mr. George spoke briefly. He said: "We must not pay our respects to the great democratic party that we feel sympathy with you in the struggle going on in Cuba. Miss Cisneros is rescued. God bless her. We extend to her a glad welcome to our freedom."

Among those present at the reception at Delmonico's were Former Ambassador Rustie and wife, Colonel Ethann Allen and Colonel Dana Gibson. Nearly every prominent member of the Cuban colony was present.

NEW EXCHANGE BUILDINGS

Union Stock Yards Company Lets Contract for Some Extensive Improvements.

TWO LARGE BUILDINGS WILL BE ERECTED. Structures Will Be of Fired Brick, Stone and Iron, and Are to Be Completed by December 15.

An important meeting was held by the Board of Directors of the South Omaha Stock Yards company in the office of President Paxton yesterday. As has already been announced, the company has had under consideration the construction of a new exchange building at the yards. The plans which have been drafted were presented to the directors yesterday and were accepted.

In speaking of the new improvements, President Paxton stated last evening: "The board of directors and myself have gone carefully over the plans of the new exchange building, and with a few alterations they will be accepted. The improvement will be quite an extensive one. The exchange as contemplated will comprise two buildings which will be practically form one. The first structure will be erected upon the ground west of the old building and will be completed by the Douglas team, who have been engaged to erect it. The second building, with a height of two stories. This building will be subdivided into offices, both floors being used for this purpose. Adjoining the first annex on the north will be the second building. This is a slightly larger. The dimensions are 75x100 feet with the same height. This last structure will be used for a restaurant, dining room and kitchen, and will be a possible 100 feet long. The upper floor will be divided into rooms for clerks and for other purposes."

"While the buildings will be plain in finish we will spare no expense to make them durable. They will not only accommodate the overflow of business from the old exchange, but will be built to stand for all time to come. It is the intention of the company to tear the old building down at some future date and to substitute a new one of similar design to the one which will soon be constructed."

PRESSED BRICK AND STONE. "The structures will be built of pressed brick and stone. Iron will also enter largely in the construction of the roofs and other portions. The roofs will be sheathed with slate as far as to form a fire-proof building. The gutters and trimmings will be of copper. The interior wood work will be of hard pine finish, or other hard woods, and will be neat and handsome."

"The contract for the whole, with the exception of the plumbing, was let to Contractor Shane & Jackson. They have instructions to push the buildings forward as rapidly as possible, and it will be stipulated that the interior completed by December 15. Of course, it is possible that we may not take possession of the new annex until the first of the year, but it will not be later than that. The contract price was a little short of \$80,000. After the plumbing is completed the entire expense will approximate this amount."

In addition to the supervision of the exchange building the board donated a tract of land of six acres to the Clady Packing company. This land is located north of the present plant of the company and will be used by it for the erection of its new additions. This last named improvement it is officially announced will cost in the neighborhood of \$100,000.

You can't cure consumption, but you can avoid it and cure every other form of cough or lung trouble by the use of One Minute Cough Cure.

Douglas Gun Club Tournament. DOUGLAS, Wyo., Oct. 16.—The tournament of the Douglas Gun club was a successful event, a large number of contestants taking part from Casper, North Platte, and other central Wyoming towns. In the club contest for the gun team last year at Casper, by the Douglas team, who home team again won, and will retain the cup permanently. The score was: Douglas, 29; Casper, 22. In the live bird shoot, entries \$5 each, and money to high gun, the score on a possible fifteen stand: Jounan, 12; Hox, 12; Morton, 10; Foxam, 9; Rimington, 8. The match shoot for 1st showed poor shooting, the score standing in a possible 100: Jounan, 16; Hox, 15; total 31. Morton, 15; Rimington, 13; total, 21.

Receiver for Hotel Property. CHICAGO, Oct. 16.—A bill, asking for a receiver for the premises and property of the Washington Hotel, a large company, was filed in the circuit court today by Charles M. Terwiller, Jr., one of the bondholders. Small pill, safe, reliable, best. De Witt's Little Early Risers cure Biliousness, constipation, sick headache.
