Wheat Goes Up Early, but Closes with a Small Decline.

LIQUIDATION DRAGS THE MARKET DOWN

Corn and Oats Follow the Leader—Provisions Advance Independently—Strong and Gain Slightly All Around.

CHICAGO, Oct. 21.—Wheat today kept up its little game of see-saw, which it has been indulging in all the week, the December option closing at 74 1/2 cents.

It was the only game of see-saw, which it has been indulging in all the week, the December option closing at 74 1/2 cents. It was the only game of see-saw, which it has been indulging in all the week, the December option closing at 74 1/2 cents.
