Postal Clerks and Bankers Still Talk of the Last Register Peach. The telegraph) announcement from Chi cago yesterday that the Postoffice depart ment had given up all hope of finding the \$14,000 missing money prekage and that the insurance company had paid the loss, was MANAWA CCMPANY D.CIDES ITS COURSE | read with a good deal of interest in Counil Bluffs, where it is positively known the Postoffice department has d ne nothing of Consultation of Stockholders Results the kind, and is more actively engaged than ever on the work of unraveling the mystery, M. C. Christian, special agent of the department, whom Mr. Stuart has instructed Obtaining Charters.

The devote all of his time to the work, has especial reasons for desiring to locate the missing package and catch the thicf. Mr. Christian is generally considered to be the successful aspirant for the appointment to the United States. the United States marshalship for the southern district of Iowa, and he and his friends feel that some satisfactory and decisive work in this case will materially increase way company a charter for the proposed ex-tension of its lines via the new bridge into gaged now in the closest inquiry into every circumstance connected with the package from the moment it was deposited Chicago postoffice until it disappeared at Council Bluffs. He has spent three or for enough with some of his intimate in this city to tell them that he has no reason at the present time to feel discour aged.

The less of the large amount of money in

transit through the mails has attracted un-usual attention in this vicinity for the reason that the bankers' convention, compris ing the members of the newly formed group No. 1 which met here a few days ago, discussed at some length the question of trans mission of money through the mails. Many of the bankers were very much in favor of it, but an attempt to get a resolution through endorsing the plan failed. Some of the loca bankers are interested in one of the bankers insurance companies organized for the pur cose of insuring against such losses, and the feel a deep personal interest in the effort being made to catch the thief. From some of these men it has been ascertained that bulk of the currency shipments from New York and Chicago into the west, and especially into this territory, has been by registered mail during the last few months One of the causes for this is declared to be the inability of the bankers to get through the subtreasury the benefit of the govern ment contract rates with the express companics. On all through shipments the banks have been compelled to pay the express companies the regular bankers' rates, which are council would be left to fix up all of the de- be abstracted from the mails in transit, t say nothing about the facilities such oper Mr. Tinley says the company has arranged handling of large sums of ready cash afford. enterprising train robbers, has given the

upreme Court Decides Against the Middleof-the-Ford Copulists.

GERTIFICATES WILL BE RECALLED

Election Board Says It is Too Late to Call Them Back and Does Not Think the Order Will Be Given.

DES MOINES, Oct. 26 - (Special Telegram.) The supreme court today decided the certiorari case involving the legality of the official tickets certified by the secretary of state to the count ea. The lower court had held that the ticked was illegally issued, by reason of containing the middle-of-the-road populist ticket as the regular nominees of the populists. The case was taken up on certiorari by the middle-of-the-roaders, and today decided against them. The supreme court holds that the lower court acted properly, and that the case must go back for its final determination. The lower court will enforce its order that

the certificates be recalled and the attorney for the regular populists says that if Secretary of State Dobson does not comp'y he will be summoned for centempt of court. "We will push this matter right up to the last minute before election," said Judge C. Cole, altorney for the regular populists, and will compel the recall of these tickets f it is in the power of the courts."
The attorneys for the election board and

the middle-of-the-roaders do not view the matter seriously. They say the tickets were certified out before the order of the district ourt was basued and that there is not time to recall them without interfering with the

Vellow Fever to Be Made a Special Order One Day of the Convention. PHILADELPHIA, Oct. 26.—The twentyfifth annual convention of the American Public Health association opened at the Hotel Walton today. The sessions will contimue until Friday next. The 200 delegates in attendance represent the health authorities of all parts of the United States, the Dominion of Canada, Mexico and several of the countries of South America, President Dr. Henry B. Horlbeck of Charleston, S. C., pre

The report of the committee on steamship and steamboat sanitation was read by Dr. Frederick Montizambert, general superinten-dent of quarantine of the Dominion of

The only paper read at this session was q contribution of the study of yellow fever from a medico-geographical point of view. The paper was a joint production of Dr president of the Supreme Board of Health of Mexico, and his colleague Dr. Jose Ramirez, secretary of the board The paper was read by Dr. Albert I. Gibon medical director of the United States navy The object of the paper was to remove what it claimed was the erroneous impression that vellow fever was epidemic in the early summer along the gulf and Pacific coasts of America.

The paper was briefly discussed by Dr William Bailey of Louisville, Dr. Samuel H. Durgin of Boston and others and it was then decided that yellow fever should be made the special subject of discussion at one of the sesions of the convention. At the afternoon assign the report of the

committee on sauitation with reference to plumbing, drainage and ventilation of public and private buildings, which was pre-pared by J. W. Hughes of Montreal, was, in the absence of Mr. Hughes, read by Croeby superintendent of the Pittsburg Board of Health.

of Health.

A report of the committee on ear sanitation was read by Dr. Sannel H. Durgin of Boston, in the absence of Frof. S. H. Woodbridge of the Institute of Technology of Boston, by whom it was prepared. The same topic was treated upon in a paper by Dr. Interesting papers followed by Dr. Henry

J. Earnes of Boston on the lack of prope bumidity of atmosphere and by Dr. F. F Westbrook of the Minnesota Board of Healt. on the serum diagnosis of typhoid fever. NARROWLY ESCAPES A LYNCHING.

Burging Kills a Policeman and is Badly Beaten by a Mob. NEW YORK, Oct. 26—Policeman Frederick K. Smith of the East Fiftieth street station was shot and killed this morning in the Church of the Holy Redeemer on Thirty-third street by a burglar who was robbing the poor box. He was caught and gave the name of Fitzmater, 45 years of age and

no home. A mob of large proportions attempted to lynch the man. Roundsman Schult and three policemen had all they could do to prevent the crowd from wreaking vengeance on the murderer. One hundred policemen were sent out as reinforcements before the prisoner was taken to the station. He was hit on the head with stones and clubs by several people in the crowd.

The murdered policeman was so near the burg'ar that his face was badly burned by the powder. The bullet passed through the jaw and come out at the buck of the head. The prisoner was covered with blood from the beating he received at the hands of the meb. They struck him with stones, clubs and all socia of missiles. It is said that several of his bones are broken and perhaps he has received a fracture of the skul though no examination has been made.

place a like number of members of the "Star

Colorado game laws, and was fired upon by been discharged under the previous repubthe Utes. The officers returned the fire, lican administration. It is the biggest sokilling five Utes. Game Warden Wilcox, called "general order" issued since ex-Chief with several posses of deputy sheriffs and Badenoch (republican) issued his famous ranchinen, is after the Indians, and a fur-ther conflict seems inevitable. The excitement men Chief Kinley's order drops from the men. Chief Kipley's order drops from the police rolls and retires on pensions three desk sergeants, one detective sergeant and twenty patrolmen. Eight desk sergeants, two detective sergeants, two patrol sergeants and Utes are exceptionally ugly and have been apparently anxious to make trouble with Chief Primer discharged outright. Chief Kipley says the changes are made in order to put the entire department under massac e and have never been anything but civil service. The men discharged, he said. ugly and waiting for an opportunity to do owed their appointments to political in mischief. There are several hundred of them fluence. All the newly appointed officers now in the state. Game Warfen Wilcox, have passed the civil service examinations, with a small party, started out to warn the One notable feature of the order is that the four detectives who did the most connotable feature of the order is that spicuous work on the Luctgert case are charged. They are Detective Sergeant Walter Dean, who it is alleged found the gold rings in the famous middle vat of the sausage factory, and Detectives George Lang. John Sedenberg and C. L. Griebenow. All these men worked on the case under the personal direction of Inspector Schaack (re spector Schaack. The order has caused muci

excitement in political circles. Plague Sprending in India. BOMBAY, Oct. 26 .- There have been fortytwo deaths from the plague at Hardwar. The disease is spreading at Poonth and Sarat.

Two Killed and Five Injured. OREGON CITY, Ore., Oct. 25.-John Mc omb and George Storich were killed and live others injured in an accident at the power station of the Portland General Elec-tric company at noon today. The mea ware working on a bulkhead, when the timbers gave way from the pressure of water. Me-Comb, Storich and five others were crushed under the timbers. Three escaped under mhurt.

Crew is Resened. SANTA BARBARA, Cal., Oct. 26.—United States cutter Corwin brought into port this ifternoon the crew of the coasting schoone El Norah, which was wrecked off Men-docino, October 22, by being run into by the Rene Richmer.

SHE GLADLY SPEAKS!

Victim of Nervous Dyspepsia and Nervous Prostration.

Onalaska, Wis.-For ten years I have Conlaska, Wis.—For ten years I have the suffering victim of nervous prostration and nervous dyspepsia. I cannot begin to tell you or remember the remedies I have taken or the prescriptions I have tried. Take what I would, I grew worse instead of better, and was well-righ discouraged. Then came the grateful change. One month ago—on the advice of my brother who sent me a boxworse high discouraged. Then came the adful change. One month ago—on the advice of my brother, who sent me a box—
I commenced taking Dr. Charcot's Kola
Nervine Tablets. I have taken one box
and gained five pounds, but that is nothing compared to the physical relief I have
experienced. I am better and happier
than I have been for five years. If I
could make the recommendation stronger
I would gladly do so.

Mrs. Lulu Gleason.
