LAWRENCE, Kan., Oct. 30.—(Special Telegram.)—The Kansas University foot ball team today defeated the Iowa University team by the awful score of 56 to 9. The Iowa team was considered one of the strongest in the west and was expected to give the Wasser team a close same. After the first Kansus team a close game. After the first few minutes of the game it became decidedly uninteresting on account of its one-sidedness. The score at the end of the first half was 24 to 0 in favor of Kansas and it kept piling up till the big final was reached. The work of the team was of more than ordinary interest on account of the fact that Coaches Woodruff for Kansas and Wagonhurst for Iowa played side by side on the Pennsyl-vania team last year. The two coaches acted

Tigers Compelled to Cancel Their Date with the Wesleyans.

There's a strong probability that the foot ball game at University park here tomorrow will be glayed between the elevens representing Wesleyan university, Lincoln, and Tabor college, Tabor, Ia. While there will be some disappointment at the nonappearance of the Missouri team here tomorrow, it by the largest crowd that ever assembled is undoubtedly true that the team from on the Lincoln grounds. From a Nebraska Tabor will give Wesleyan a closer game standpoint the game was interesting from than Missouri could have possibly done. The the start, and at no time after the first five showing Missouri made egainst Nebraska minutes of play was the result in doubt. In the first half the Tigers played a very list-less game, and the ball was nearly all of the time in their territory. On the other bally as Nebraska did, especially as the band the Nebraskans put up a snappy game Missouri players could not have been in

work by the Missourians. The crowd, which was thoroughly Nebraska in sentiment, was enthusistic at all times and generously applauded the good work of the Tigers when there was an opportunity.

Nebraska choose the south goal and Missouries of an unexpected order from the faculty to return to Columbia, Mo., by Wednesday, A game scheduled at Tarkio for Tuesday was regarded as an easier game than with Wesserberg and the Omaha trip was therefore abandoned.

Grinnell Defents the Ames Tenm by the Score of Twelve to Six. GRINNELL, Ia., Oct. 30.—(Special Tele-gram.)—The agile sons of Grinnell defeated the beefy men of Ames today by a score of 12 to 6 in one of the finest foot ball contests ver seen in Iowa. The Ames men weighed

In the first half Grinnell started with a rush inspired by desperation and a desire to average the defeat of lart year, and in six minutes had made a touchdown and kicked a goal. Ames tried desperately, but failed to even score in the first half.

In the second Grinnell scored and kicked goal in ave minutes. Ames, by magnificent mass plays, carried the ball over and kicked goal. It was the end of the scoring, though Antes was near the Grinnell goal when time was called at the end of the second half. The line-up follows:

There were some long runs, but on the whole the game was won by steady play and good team work. McDonald for the High school made two long runs and Torrence and Jameson for the academy each made one good run. The score was 4 to 6 in favor of the academy. Following is the line-up:

After this there was only a little skirmish before the game ended.

CUSTOMARY CELEBRATION.

The people of the city are happy tonight, and the retudents are celebrating the victory With the easy defeat of the Tigers and the piling up of such a long string of points by the Nebraska boys, the general opinion is that the championship will come to this state. The university team comes out of the game in good shape, and will start on the trip next week stronger than ever. The goal kick from the field by Cowgill, and the boys are all getting their share of praise. The lineup in the game was:

Sager of Denver established world's unpaced tandem records from ten to twenty-five miles at Charles Street park ysterday afternoon. It was an ideal day for record breaking and when the riders appeared on the track at 1 o'clock for their warming up preparatory to the start there was a fair sized crowd of bicycle enthusiasts in the stand. Promptly at 1:15 p. m. they were sent away by Referce Benson. For the first ten miles they did not get under record time, but beginning with the eleventh mile they established new American and world's unpreceding to the trial was sanctioned by the National racing board of the League of American hydrogeness and the trial, while George Melerstein, H. Absorbed in Cricket.

LONDON, Oct. 30.—The cricket match being played at Adelaide, South Australia, be tween an eleven of Australia and English cleven is far more interesting to the general public here than the most burning political question or the heaviest fighting. Frince Ranjitsinghi, the Indian player on the English side, who made 159 in the first inning of his eleven, is the hero of the hour. Scareheads in the newspapers are devoted to him as being the savior of the English team. At the same time Ranjitsinghi's innings were of the incisest character, for in addition to the hitherto unheard of incident of a ball touching and turning a ball without causing it to fall, the Indian cricketer gave the wicket keeper a chance to put him out when he scored his first run and he was twice missed by fielders who ought to have caught him. tween an eleven of Australia and English

ADELAIDE, South Australia, Oct. 38.—In the cricket match which begun on Thursday last between an Australian eleven and the English eleven, led by Captain Stoddardt, the Englishmen were all out today in their first innings for 475 runs, of which number Prince Runjitshughi made 189. The Australians in their first innings, concluded yesterday, made 409 runs, Hill scoring 200 of this number. At the close of play today the Australians in their second innings had 124 runs for three wickets to their credit.

CHAMPAIGN, Ill., Oct. 30.—In what was undoubtedly one of the most fiercely contested games ever played in the west, the University of Chicago foot ball eleven this afternoon defeated the University of Illinois team by a score of 18 to 12. Time and again the ball changed hands by inches and not until time was called was Chicago sure of victory.

Chicago was badly handleapped by the discibility of its star kicker, Hershberger, early in the game, and as a consequence very little kicking was dore. Gordon Ciarke, Chicago's quarterback, was easily the star of the game, making one run for eighty-five yards for a touchdown, while time and again he carried the leather for fifteen and twenty yards. The styles of play of the two clevens were totally different, Illinois confining its playing gamost altogether to line bucking, while chicago relied more on runse around the ends. Illinois scored first after about ten minutes playing, using the Princeton revolving mass play, in which they have been schooled by Cosch Huff with splendid effect, varying it with plunges at the center and guards. Chicago soon tied the score, using its backs for end runs. Hershberger made a pretty advance of thirty-five yards. A few moments after Gordon Ciarke made his phenominal run. MINNEAPOLIS, Oct. 30.—University of Wisconsin administered a crushing defeat to the University of Minnesota today, the score being 39 to 0, of which 23 were made in the first half. A crowd of 5,000 people witnessed the game, of whom several hundred were from Wisconsin. The Gophers were outclassed in every point, noticeable features being their general slovenly work, poor interference, inability to break through the line of their opponents and constant fumbling. The day was favorable for good ball. The sky was clouded, the air brisk and it was not too cold for comfort. Only once or twice were the Minnesotans given an opportunity to test their lungs. One was when Harrison made a splendid tackle and fell on the enemy. On the other side the Badger's were shouting themselves hoarse, swinging hats and brandishing canes, while the Gophers tried in valu for a touchdown. CARLISLE, 96; GETTYSBURG, 0.
