

DISCUSS CIVIL SERVICE

Factions in Board of Education Indulge in Small Political Row.

MAJORITY PROTECTS ITS APPOINTMENTS

Having Filled All the Desirable Positions It Passes a Civil Service Resolution to Prevent Any Changes.

The eve of the election furnished a sufficient cause for a slight injection of politics into the proceedings of the Board of Education last night. At least several members declared in unmistakable terms that it was politics, but Lunt, who was responsible for the trouble, as vigorously asserted that there was no politics in it whatever.

The difference of opinion arose in reference to a resolution which was introduced by Lunt and which was the subject of the meeting. The preamble recited the advantages of civil service reform as applied to school board affairs, and also the allegation that the present majority of the board was in favor of that principle.

Anderson vigorously objected to the reference to members who were candidates for reelection, and the matter was referred to a committee of three to be appointed at the next meeting.

MEETING OF WOMAN'S CLUB

Gathering in Parlors of First Congregational Church.

MANY LEADING MEMBERS ARE PRESENT

Reception is Given to Mrs. Belle M. Stutenborough, President of Nebraska Federation of Women's Clubs.

The parlors of the First Congregational church were thronged yesterday afternoon from 2 to 3 o'clock by members of the Woman's club and their friends, who gathered to do honor to Mrs. Belle M. Stutenborough, the president of the Nebraska Federation of Clubs. To put a reception before a program instead of after it is a new departure to the club, but it was found to have advantages in the fact that the women were not hurried away by the pressure of home duties at that hour.

When all had been presented to Mrs. Stutenborough and tea and water had been served by Mrs. C. E. Squires, chairman of the house and home committee, and her assistants, the president and the guest of honor stepped upon the platform in the auditorium, the club was called to order and the routine business was disposed of.

The opinion of the city's right to confer judgment in favor of women and policemen who have salary claims against the city was reviewed by Mrs. Stutenborough. This morning Chas. Redell of the fire department, to whom has been assigned the salary claims of the firemen, will appear in court to defend the city to confer judgment for the amount.

A large number of citizens petitioned for the reinstatement of Captain Warrick of the police No. 12, who was discharged October 25. The petition was placed on file.

Leaves were granted to the following: Officers Dillon, Jorgensen and Plank, ten days each, and Officers Moraball and Madson, five days each. Fireman Kelly was granted a five day leave.

WOMEN HAVE A BIG WRANGLE

Fight in Executive Session Over the Chicago Temple.

DECIDE TO HOLD ON TO THE BUILDING

Miss Cornelia Dow Named as Custodian of a Fund to be Raised to Pay Off All Its Debtedness.

DUPPALE, Nov. 1.—From 2 o'clock this afternoon to 7:30 tonight the delegates to the National Women's Christian Temperance union held a continuous session behind closed doors and discussed with much warmth the report of Mrs. Matilda B. Caras of the Chicago temple.

Miss Sarah G. Johnson, financial secretary of the temple, presented her report, of which the following is an abstract: Balance on hand November 3, 1896, \$23,125; amounts received in gifts November 1, 1896, to October 18, 1897, \$1,810; interest, \$23.89; notes, \$500; total, \$25,044; various expenditures, \$9,072.

Mrs. Katherine Lent Stephenson of Massachusetts, one of a committee recently sent to Chicago to investigate the temple matter along with the other affiliated interests of the union, reported that the income of the temple, if it was entirely retired, would be \$115,000 a year. Its annual expense, including interest, would be \$125,000. About one-fourth of the building had been unrented last year and about one-third this year.

Mrs. M. B. Caras in her report on the temple, attributes the crisis in its affairs to the financial condition of the country and the determination to revive the enterprise. She declares that had all annual responded as did a few of the stock without incurring the same, the temple would have been in possession of the stock without incurring the same.

She quotes from previous reports showing the receipts and expenditures of the temple, and adds that of \$200,000 subscribed \$141,000 is still in her hands. She is entering into negotiations with prominent business men of Chicago, with a view to securing a loan of \$200,000 with which to pay off the debt. She also reports that she has secured a paper signed by Lyman J. Gage and ten other prominent business men of Chicago, made after an examination of the affairs of the temple the first year. This report declares:
