TECUMSEH, Neb., Nov. 8 .- (Special.) -- An effort is on foot to organize a home company in Tecumseh to operate a system of telephones. Already the enterprise has received great encouragement, and it is quite probable that the company will be organized. Each member of the company pays a portion of the expense of putting up the poles, etc., and his own instrument and battery. A central station will be organized and a wireman mployed, and after the expense of getting he lines in working order have been met each member will then only jay his share of the current expenses. The projectors believe that with forty subscribers the expense of 'phones after cace put in need not be over \$1 per month for business houses and 75 cents for dwellings.
