Accessesses What do the Children Drink?

Don't give them ten or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and nourishing and takes the place

The more Grain-O you give the andren the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about # as ninch. All grocers sell

Try Grain=0!

IF you wish to learn the state of the weather, you must consult a barometer. IF you wish to know the state of your bealth, your body is a natural barometer. IF you seem to lack energy, and feel tired, there is something the matter with

your elrenlation. IF you are billious, constipated, dyspeptic, beryons, you need something to

tone up your digestive organs. If you feel a sudden cold or chill, bear

in mind it may lead to pneumonia. IF you feel any or all of these symptotus, remember that

Duffy's Pure Malt Whiskey

is the safest and best thing you can take de to get rid of them.

Within a certain section of New York State there are three times as many First Watches carried as of all other makes combined, yet less than onethird of the watches on the jewelers' repair racks in that section are Elgins. Strong evidence that they cost less to keep in order than any other watch. Ask your leweler about the timekeeping qualities of these superb watches. and be sure that the word "Eigin" is

engraved on the plate of the watch The Full Ruby Jeweled is the grade specially recommended.
