ing Posting Bill. LOUISVILLE, Nov. 27 -Million H. Smith, president of the Louisville & Nashville railroad, today gave out an interview to the Evening Post in which he vehemently opposes the pending pooling legislation before congress. Before loaving the city he was seen and naked to give to the public a statement of his position in regard to the pro-

posed measures.

are not of sufficient importance to require much attention from railroad managers. Pooling will not be obligatory and pooling rates have to be approved by the Interstati Commerce commission. The whole thing is delusive. I should not like to say the production is intended to divide the public a the railroads as to the revolutionary character of the proposed legislation. I used the word revolutionary advisedly and the moment is one which should arouse public attention and secure not public approval but public condemnation.

"Much misinformation has been eleculated concerning the effect of recent judicial decisions concerning the Interstate Commerce commission. The public has been informed officially that these decisions have 'emascu-lated the commission:' that they have destroyed its usefulness; that it has been de to fix rates and that the power thus taker away must be conferred by congress in lan-guage not subject to misinterpretation.

"There is evidently an organised move-ment directed by shrewd and interested men to confuse the whole matter. Every assump-tion is false. The commission has been deprived of no power ever given it by congress all the usefulness it ever possessed it pos-sesses today. All that the courts have done

straight. The Cruse ranch also has a real straight to the cruse ranch also has lost, but to give it something it may selling at \$1.75 per head, and other stock at never possessed; something it could not use safely and something that never should be given it. "I wish to state the facts with all the

Dosed changes are radical and revolutionary The Colorado Midland will develop a big affecting not simply the railroads, but the whole character of the government "It is not possible for one commission to

power should not exist anywhere today. To give it to a single commission would be to endow it with an influence over the lives the prosperity and the futures of the private chizens such as no government here and few governments abroad have ever tried to assume in times of peace.

"Yet this feature of the proposed bill is snored in all public discussions. We hear because of the fact that while records have been kept of the leading mines there is no possible way of gotting reliable statistics of the smaller mines.

Hundreds of mines in Montana are conducted by individuals whose profits in the aggregate must be large, but are unknown and do not appear in the statistics for the state. The profits of the big companies, ton, are often used in developing new properties and building larger smolling works.

Up this fall and inclead of being in allasia to will be put to cultivation pext year.

The Commodore mine at Creede has declared its regular monthly dividend of I cents a state. This mine has posid in dividends in dividends are appeared by individuals whose profits in the appear to the people should not be kept in ignored in all public discussions. We hear much of pooling and scalping; we hear nother clared its regular monthly dividend of I cents a state. This mine has posid in dividends averaging measures, claiming the approval of the appear in the statistics for the statistics for the state. The profits of the big companies, ton, are often used in developing new properties and building larger smolling works.

French ambassador to and Demura, an obstruction having been Spain, and who has represented France as ambassador at Washington, sailed today on the steamer La Champagne for Havre, Lieutenant Robert E. Feary, the Arctic ex-plorer, and Mrs. Feary sailed on the steamer Lucania en route for London and Philippreh

COMMON SENSE CURE.

been a very slow ope in the wheat market, PYRAMID PILE CURE CURES PILES PERMANENTLY BY CURING THE CAUSE.

Remarkable Remedy Which is Bring-ing Comfort to Thousands of Sufferers.

Probably half the people who see this article suffer from piles. It is one of the commonest diseases and one of the most ob-stinate. People have it for years and just approaches, and shorts are evidently getting very anxious at the increasing difficulty to cover. The opinion that December is cornered was strengthened by the corner orrhages occur from the caused death. Hembecause it is not immediately fatal they neorrhages occur from no apparent cause and loss of blood causes death. Hemorrhages

Piles are simple in the beginning and only one remedy that will do it-Pyramid It allays the inflammation immediately,

The cure is thorough and permanent. Here are some voluntary and unsolicited estimonials we have kitely received: Mrs. M. C. Hinkly, 661 Mississippi St., Indianapolis, Ind., says: Have been a sufferer from the pain and annoyance of piles for fifteen years, the Pyramid Pile Cure and

bought one bux of the Pyramid Pile and since then I have had no piles. recommended them to many friends and
