This turned anisoned one of the regents on the ticket. The county on the indings made by Mr. Mr. Healey was not even mentaned and the Hovey and action will be taken by the rinns was given to another populist who was circady twon the state may cold

MODRE'S SENTENCE SUSPENDED This afternoon Willis Reed, one of the atterneys of Eugene Moore, presented the ap-plication for a suspension of the mentence the defaulting ex-guditor, all of the judges toed made a short argument in support of cining of error that the law which required while the prisoner's interests were looked the fees of insurance companies to be paid after by Attorney R. S. Molony, also of this stitution, which required all fees to be paid into the state treasury. This has been the cuttention of Moore from the very commeantement of the case. Attorney General Smyth made a short talk in which he contended that there was no error in the prooperation as to the size of the bond in case of the surjection of the serience was also discussed. The attorney peneral and appeared to be thoroughly bardened. There is some four of Holechek committing suicine. discussed. The attorney general said be thought a much larger bond ought to be given than was required by the district cour! Mr. Reed thought \$35.000 would be sufwas intended to insurthe appearance of the defendant in court. He believed that if Mr. Moore was let out on his own recognizance he would be of hard when called upon. The judges took and then positive the attorneys that they had granted the application for the suspen sion of remember and had fixed the amount of the bond at \$25,000. Mr. Reed was notified immediately after the amountmement by the judges, and said he expected to get satis factors bundamen before tomorrow night Some who expected to sign the bond were no In the city, but would come and qualify as such as they were notified that the applicawas no doubt that two or three of the sig natures would be the same as appear on th \$10 000 bond that was given in district bourt SCHOOL FUND APPORTIONMENT.

The apportuniment of the school money to the various counties of the state will be made in a few days. Full reports have been received from all the counties with one or two exceptions, and in those cases there are only two or three districts in which further investigation is to be made. The state superintendent surpounces that the total is figures of last year will reach 6.402. The amount of the money to be apportioned is shown in the following statement, which was vent in by the state treasurer today:
