showing of unexpected strength for secre-tary of the senate. He was secretary at the regular session of the last legislature. Between the adjournment of that session and the opening of the extra session last winter he was placed on trial at his home, charged with forgery. He declined to serve at the extra session and George A. Newman of Cedar Falls was elected. Bullard has since been cleared of the charges and asks another lection. He is claimed tonight to be in the lead.

Expect to Be a Part of the Relief Expedition.

DENVER, Colo., Jan. 5.-A communication has been received at the headquarters of the Department of Colorado from General Miles requesting information in regard to the needs of the miners in mining regions. In pursuance of an act of congress, approved December 18, 1897, General Miles has begun

the work of preparing a relief force to be Abbott Bassett at Beston, to the effect that the sale of supplies of various kinds from the office of the secretary to the several state divisions, while necessary in the con-duct of division work, should be carried on at cost and without pecuniary profit to the settlenat body sent into the mining regions of Alaska. The troops detailed on this duty will take a plentiful supply of provisions, clothing and all articles needed by the miners.

It is probable that some of the posts in this department, perhaps Fort Logan, will mational body, be called upon to furnish part of the force to be sent to the Klondike country in the spring. That is the general impression about ermy headquarters and preparations are being made that evcything may be readiness when the order to that effect is
