PROPOSALS FOR LEASING THE SURplus grazing lands on the Kiowa and Comanche and Wichita reservations, United States Indian service, Kiowa and Comanche and Wichita agency, Anadarko, Oklahoma, January 19, 1898. (Telegraphic address, Anadarko, Oklahoma, via Caddo, I. T.) Sealed proposals for grazing horses or cattle that may be on hand on the surplus lands of the Kiowa and Comanche and Wichita reservations, Oklahoma, indorsed "Proposals for leasing tribal lands for grazing purposes," and addressed to the acting agent of the Kiowa and Comanche agency, Anadarko, Oklahoma, will be received at this office until 2 o'clock p. m. on the 19th day of February, 1898. The pastures on the Kiowa and Comanche reservation will be leased for the period of three years from April 1, 1898, and the pastures on the Wichita reservation will be leased for one year from April 1, 1898. No bid for a different period on either reservation will be received or considered. For the information of bidders I will state that the description of the pastures, the location and estimated number of acres in each, and all other necessary information will be furnished on application to this office. A few of the pastures on each reservation are unsurveyed. These will be surveyed as early as practicable, and the lessee will be required to pay upon the actual number of acres found to be embraced in each, as shown by the survey. Certain of the pastures on both reservations are also unfenced. The lessees of unfenced pastures will be required, without unnecessary delay, to fence the same with a substantial, cattle-proof, wire fence; all fences and other improvements shall revert to the Indians and become their absolute property at the expiration of the leases. No pasture on the Kiowa and Comanche reservation that is already under fence will be leased for less than 10 cents per acre per annum, and no unfenced pasture on said reservation will be leased for less than 8 cents per acre for the first year and 10 cents per acre for each of the second and third years. The bidder must clearly designate the pasture on which the bid is made, giving the estimated number of acres therein, the price per acre per annum which he will pay, and the maximum number of horses or cattle he proposes to hold upon the lands at any one time; and in case more than one pasture is bid upon, separate bids must be made upon each. Only by a strict adherence to this instruction will it be practicable to compare the bids on any given pasture. The rent must be paid in two equal semi-annual payments in advance, namely, on April 1st and October 1st of each year. Each lessee will be required to furnish security in an amount equal to the deferred payments for the faithful performance of the conditions of the lease through some acceptable security or guaranty company. Personal bonds will not be accepted. Everything being satisfactory it it proposed to award the grazing privileges of each particular pasture to the bidder proposing to pay the highest price therefor; but the right is hereby reserved to reject any and all bids if deemed for the best interest of the Indians and the leases executed hereunder will be subject to the approval of the secretary of the interior. Each proposal must be accompanied by a certified check or draft upon some United States depositary or solvent national bank in the vicinity of the bidder's place of residence, made payable to the order of the commissioner of Indian affairs, for at least 5 percentum of the entire amount of the proposal, which check or draft shall be forfeited to the United States for the use and benefit of the Kiowa, Comanche, Apache and Wichita Indians, in case any bidder receiving an award shall fail to enter into the prescribed lease for the lands bid upon, and to secure a suitable bond for the faithful performance of his part of the contract; otherwise to be returned to the bidder. Proposals not conforming to the requirements of this advertisement will not be considered. FRANK D. BALDWIN, Capt. U. S. A., Acting Indian Agent, Kiowa and Comanche Agency, Anadarko, Oklahoma. J240 12M

PROPOSALS FOR FLOUR—OFFICE PURchasing Commissary of Subsistence, Omaha, Neb., January 24, 1898.—Sealed proposals, in duplicate, subject to the usual conditions, will be received at this office until 11 o'clock a. m., February 3, 1898, at which time and place they will be opened in presence of bidders, for furnishing the Subsistence Department, U. S. Army, on or before February 23, 1898, as may be required, with Flour for issue and Flour, choice family, at the following places of delivery, viz: On board of cars at Omaha, Nebraska, or at subsistence storehouse at Forts Crook, Niobrara, Robinson, Neb., D. A. Russell, Washakie, Wyo., and Fort Meade, S. D. Preference will be given to articles of domestic production. The right is reserved to reject any or all bids, or any part of any bid.
