SHERIFF MARTIN ON TRIAL

Court Begins the Hearing of Evidence Offered by the State.

SHOWING THAT STRIKERS WERE UNARMED

Witnesses Say There Was No Disposition to be Disorderly and That the Shooting Was Without Provocation.

WILKESBARRE, Pa., Feb. 3.—Taking of testimony in the trial of Sheriff Martin and his deputies began today in the Luzerne county court. Attorney McGarrah presented the case for the commonwealth.

Andrew Silver was the first witness called. He is a Hungarian, but speaks excellent English. He proved the death of Mike Cozjak, saying that he saw him lying dead on the road at Lattimer with a bullet in his head.

The defense attempted to show that the witness had been engaged in terrorizing men who did not want to strike to join the strikers through fear of injury, but the court would not allow it.

Blanchard, the first witness called for the defense, said he had not been engaged in or known of sundry cases of violation, with the strikers as aggressors, on the day of the shooting.

The second witness was John Mahala, who was at the time of the strike president of the Harwood local union of the United Mine Workers of America.

Mahala testified that he was at the time of the strike president of the Harwood local union of the United Mine Workers of America.

Rev. Father Richard Aust, pastor of the St. Stanislaus Polish church at Hazelton, chairman of the prosecuting committee, called to prove that many of the strikers were shot in the back.
