ADOPT THE BANKING PLAN

Ex-Governor Boies Suggests a Scheme for Currency Reform. KEEP A TWENTY-FIVE PER CENT RESERVE. Redeem Notes in Gold, at the Government's Option, to the Market Value of the Metal Decided Upon.

FAIRFIELD, Ia., Feb. 8.—Ex-Governor Horace Boies made an address on the financial question here tonight. It was his first address on the subject since the publication of the widely published letter in which he denied the sacred and inviolable nature of party platforms, and insisted that the battle for free coinage of silver at the ratio of 16 to 1 having been fought under the most favorable circumstances and the democrats defeated at the polls, the democratic party should abandon the financial plank of 1896 and endeavor to rally on new ground.

His speech tonight embodied a plan for a redeemable government currency upon which he thinks all democrats should be able to agree. He said: "In less than another decade the national banks will hold the purse-strings of this great country, and in the United States will wield a power before which thrones have crumbled and republics have disappeared. The high road to final and complete extinction of the party platform will have been discovered for the reservation of the party platform, which is a simple and just measure of values and answer to the demand for a currency which is not a mere piece of paper, but a thing of value, and so guarded by law that it will be invulnerable to attack from enemies without or within."

No one metal is sufficient for the basis of such a currency. To endure, it must have the power of the earth, and the power of silver so interwoven and welded about it that any attempt to tamper with it will be practically impossible. The plan took so much of his time that he forgot to say the greater and the better the plan was carried out, the more he could get his friends to loan him. This was for wires, batteries and machinery. The men who were with him at the time he left for Chicago for material. He lived like a man in a perpetual state of anxiety, and he was not something great, was to transpire. They were to be made of steel and iron.

"The time to deal with Gray is when he is at the height of his popularity, and the president of one of the telegraph companies. It never occurred to me to make him an offer when he has money. He has now on the string an amount of \$25,000,000, and he is a man of great energy and ability. He will then sell for a song."

Prof. Gray is getting to the point where he will sell for a song. It is time to deal with him. He has now on the string an amount of \$25,000,000, and he is a man of great energy and ability. He will then sell for a song.

Business Troubles of a Day. FORT WAYNE, Ind., Feb. 8.—The Old Fort Manufacturing company today went into the hands of Charles F. Pfeiffer, as receiver for the creditors, with a total debt of \$2,000. The company manufactures pulleys and woodworking machinery and has plants at Fort Wayne and Eaton, Ind., valued at \$50,000.

Curt, but Approves. Washington Star: "Now it is the woman who gossips. 'I am going to tell you something. But you must remember that it was said in confidence and you mustn't repeat it.' 'Why don't you?' was the query, in astonishment, of a woman of your self-confidence can't keep from divulging it. I shouldn't like to trust myself with it."

Mrs. Dole Visits Her Brother. CLEVELAND, O., Feb. 8.—President Dole and party arrived at the union station at Cleveland today from Buffalo. Their car was placed on a side track and the members of the party did not arrive until 11:30 p. m. Mrs. Dole was accompanied by her brother, Mr. Dole, and her sister, Mrs. Dole. They were driven to the home of Mr. and Mrs. Charles Cate, where they will remain for the night. Mrs. Dole has not seen each other for several years. The presidential party expected to resume its journey westward this evening.

Brother His Sister's Avenger. CHATTANOOGA, Tenn., Feb. 8.—A special to the News from Nashville states that Jim Drake, a negro, had attempted an assault on Miss Stevenson, a young woman employed at the Tennessee cotton mills, was today shot and killed by G. W. Stevenson, a brother of the young woman. Drake had just been captured by officers of the Tennessee state police, when Stevenson shot him twice with a pistol.

AN OPEN LETTER

From Miss Sachner, of Columbus, O., to Ailing Women.

To all women who are ill—I am so glad to hear that you are well. I have derived from taking Lydia E. Pinkham's Vegetable Compound, I can hardly find words to express my gratitude for the boon given to suffering women in that excellent remedy. Before taking the Compound I was thin, nervous, and I was troubled with leucorrhoea, and my menstrual periods were very irregular. I tried three physicians and gradually grew worse. About a year ago I was advised by a friend to try Mrs. Pinkham's Sanative Wash and Vegetable Compound, which I did. After using three bottles of the Vegetable Compound and one package of Sanative Wash, I am now enjoying better health than I ever did, and I attribute the same to your wonderful remedies. I cannot find words to express what a Godsend they have been to me.

Whenever I begin to feel nervous and ill, I know I have a never-failing physician at hand. It would afford me pleasure to know that my words had directed some suffering sister to health and strength through those most excellent remedies.—MISS MAY SACHNER, 214 1/2 E. Rich St., Columbus, O.
