Promises of Good Results in the Outdoor Contests—Eastern Varsity Crews in Active Preparation—A. A. C. Moves.

In the realm of amateur sport the event of the week just past was the indoor athletic contest held at the University of Nebraska on Tuesday afternoon.

The result, which were uniformly good, were as follows: Standing Broad Jump—Swallow, 9 feet, 10 inches; Lester, 9 feet, 9 1/2 inches; More, 9 feet, 7 1/2 inches.

In addition to these events there were three interesting exhibition games. Three instances of a new indoor sport, recently introduced by Physical Director Hastings, called volleyball, were played between two teams from the university.

The latest branch of amateur sport over which the Amateur Athletic union has assumed jurisdiction is that of billiards.
