

A NEGLECTED LINCOLN EPIC

Edouard Grenier's Notable Lines on Our Martyr President.

POEM CROWNED BY FRENCH ACADEMY

Tribute to the Emancipator Approved by the Forty Immortals—First Translation Published in the United States.

Abraham Lincoln's great memory, which is now annually honored by his countrymen, has been the inspiration of poets abroad as well as at home.

EDOUARD GRENIER.

Naturally the largest foreign contribution in the history of the Lincoln centennial celebration, the volume of the poet's work is a masterpiece of art.

THE LIFE OF A MANDARIN.

It is rather slow and monotonous to most of us, but to the Chinese it is a life of intense interest.

THE DEATH OF PRESIDENT LINCOLN.

To celebrate the death of worthy words our times are too disturbed, our minds too worn.

CHINESE—ALWAYS SUPPOSING THEY ARE NOT OPPIUM SMOKERS.

By hideous slavery, a filthy chain fastening two souls at once, whereby the victim and the torturer were alike.

WASHINGTON.

Washington Star: There was a riot in the harbor. "Don't you think," exclaimed the sultan, "that because you are the favorite, just at impudently, I am aware of the epithet you apply to me."

BACK FROM RUSSIAN TRIP

Return of the Agent Sent Abroad by the Agricultural Department.

HOW HE FOUND THE USEFUL PLANTS

Collecting New, Rare and Valuable Seeds for American Farmers—Long Journeys, Steep Trails—A Successful Expedition.

Prof. Niels E. Hansen, professor of horticulture and forestry at the South Dakota Agricultural College and Experiment Station, has returned from his trip of two months in eastern Russia, the Caucasus, Russian Turkestan, Bokhara, western China and Siberia.

At St. Petersburg the imperial department of agriculture furnished an expert scientific guide for the United States.

HOLY CITY OF RUSSIA.

A trip was next made to Kiev, the "holy city" or Jerusalem of Russia, to see a large agricultural fair, where all the products of southern Russian agriculture were on display.

IN STRANGE BOKHARA.

Bokhara has been called more oriental than Constantinople, as it has been so little subjected to European influence.

BETTER SIDE OF SPAIN'S HISTORY.

Annals of the Ancestral Nation Abound in Deeds of Heroism and Chivalry.

Beginning with the earliest times, even before the Christian era, we read with emotion of the warriors of the country's territory.

Then it was that one Pelayo, one of Spain's noblest warriors, gathered his followers together and began the country's territory.
