ARBOR DAY WAS VERY QUIET

Omaha People Give No General Attention to the Holiday.

Public Offices Close While Citizens Individually Plant Trees.

The celebration of Arbor day in Omaha involved no notable features.

The offices in the city hall were all closed on account of Arbor day.

The county officials enjoyed Arbor day as a holiday and all of the offices were closed.

The offices of the county treasurer, county clerk, county commissioner and register of deeds.

The offices of the judges of the district court were around the building.

Superintendent Miles D. Houck was on duty as usual.

The customary Arbor day tree planting at the Lake Street school took place Thursday.

The eighth grade furnished the tree and very impressive exercises were held under the direction of the class.

The Doctor Must Not Against an Excuse for not attending to his duties.

"Now, in regard to your little bill, doctor," said the old gentleman.

"I don't care anything about that," returned the physician.

"I recall it," admitted the old gentleman.

"Well," said the doctor, "that charge is for professional services."

"The offsets!" exclaimed the doctor.

"Certainly. Looking at this purely from a business point of view."
